

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peggy Siamantouras
DOCKET NO.: 16-41068.001-R-1
PARCEL NO.: 07-25-309-002-0000

The parties of record before the Property Tax Appeal Board are Peggy Siamantouras, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,615
IMPR.: \$13,885
TOTAL: \$19,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 42-year old, two-story, single-family dwelling of frame exterior construction with 1,248 square feet of living area. Features of the home include a full basement and a two-car garage. The property has an 8,639 square foot site and is located in Schaumburg Township, Cook County. The subject is classified as a class 2-07, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's petition indicated that the appeal is based on overvaluation. In support of this argument, the appellant submitted evidence disclosing the subject property was purchased on or about January 25, 2016 for a price of \$195,000. The appellant submitted a copy of the sales

contract, an owner-occupant certification, and a Special Warranty Deed. However, the appellant neither submitted nor completed Section IV of the petition that relates to recent sales.

Based upon this evidence, the appellant requested a reduction in the subject's assessment to reflect a market value of \$200,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$27,018. The subject's assessment reflects a market value of \$270,180 or \$216.49 per square foot of living area, land included, when using the level of assessment for class 2, residential property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted a grid sheet analysis with descriptive and assessment information on four equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in January, 2016 for a price of \$195,000. In support of the transaction, the appellant submitted a copy of the sales contract, owner-occupancy certification and Special Warranty Deed. The Board finds the purchase price is below the market value reflected by the assessment. The Board further finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value.

Based on this record, the Board finds the subject property had a market value of \$195,000 as of January 1, 2016. Since market value has been determined the level of assessment for class 2, residential property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2)

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
