

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kostas Chaniotakis
DOCKET NO.: 16-41162.001-R-1
PARCEL NO.: 13-33-211-033-0000

The parties of record before the Property Tax Appeal Board are Kostas Chaniotakis, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 6,237
IMPR.: \$22,574
TOTAL: \$28,811

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 88-year old, two-story, masonry, multi-family dwelling with two apartments therein. Features of the home include: 3,816 square feet of living area, a full basement and a one-car detached garage. The property has a 5,670 square foot site and is located in Jefferson Township, Cook County. The subject is classified as a class 2-11, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's petition contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales. They are improved with a frame or masonry, multi-family dwelling. The improvements range in size from 2,564 to 3,467 square feet of living area and in assessment from \$8.20 to \$9.91 per square foot. They

sold from January, 2015 through March, 2016 for unadjusted prices that ranged from \$38.94 to \$75.27 per square foot of living area. The properties include a two-car garage.

Further, the appellant submitted copies of the sales' deeds and/or website printouts from the Cook County Recorder of Deeds office relating to each sales' details. Based upon this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$33,986. The subject's assessment reflects a market value of \$339,860 or \$89.06 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. The subject's improvement assessment is \$7.27 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be *the appellant's comparables #1 through #4*. These comparables sold for unadjusted prices ranging from \$38.94 to \$75.27 per square foot of living area, including land. The subject's assessment reflects a market value of \$89.06 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence and after making adjustments to the sales for pertinent factors, the Board finds a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
