

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Siatos
DOCKET NO.: 16-41543.001-R-1
PARCEL NO.: 10-27-322-002-0000

The parties of record before the Property Tax Appeal Board are George Siatos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$5,197
IMPR.:	\$23,665
TOTAL:	\$28,862

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 62-year old, multi-level, single-family dwelling of masonry construction. The improvement contains 1,527 square feet of living area and a partial basement. The property is sited on 5,940 square feet of land and is located in Niles Township, Cook County. The subject is classified as a class 2-34, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's petition contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables. They are improved with a multi-level, masonry, single-family dwelling with a partial basement. The

improvements ranged: in age from 52 to 61 years; in size from 1,475 to 1,887 square feet of living area; and in assessments from \$11.15 to \$14.57 per square feet of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$28,862. The subject property has an improvement assessment of \$23,665 or \$15.50 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables. They are improved with a multi-level, single-family dwelling of masonry exterior construction. The improvements ranged: in age from 58 to 63 years; in size from 1,326 to 1,586 square feet of living area; and in assessment from \$18.26 to \$19.41 per square foot. Amenities include a partial basement and air conditioning, while three properties also contain garage area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be *the appellant's comparable #4 as well as the board of review's comparables #1 through #4*. These comparables had improvement assessments that ranged from \$14.57 to \$19.41 per square foot of living area. The subject's improvement assessment of \$15.50 per square foot of living area falls within the range established by the best comparables in this record. The Board accorded diminished weight to the remaining properties due to a disparity in location, style, age and/or size. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
