

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Solak  
DOCKET NO.: 16-41784.001-R-1  
PARCEL NO.: 10-21-216-058-0000

The parties of record before the Property Tax Appeal Board are Mark Solak, the appellant(s), by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,437  
**IMPR.:** \$14,714  
**TOTAL:** \$20,151

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one and one-half story, single-family dwelling of masonry construction containing 1,693 square feet of living area. The dwelling was constructed in 1952. The property has a 7,500 square foot site and is located in Skokie, Niles Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold on February 2014 for \$205,000. This evidence included a copy of the MLS listing sheet, deed, real estate contract, and settlement statement. The appellant's pleadings regarding Section IV- Recent Sale Data confirmed: the closing date; the sale price; the parties to the transaction were not related; that the subject was

advertised on the MLS for 6 days with a realtor; and that the seller's mortgage was not assumed. The MLS listing sheet disclosed the subject was short sale. Appellant requested that the Board apply the 2016 three-year median level of assessment for Cook County of 9.83% as determined by the Illinois Department of Revenue. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$20,151.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,558. The subject's assessment reflects a market value of \$331,210 or \$195.63 per square foot of living area, land included, when using the 2016 three-year median level of assessment for Cook County of 9.83% as determined by the Illinois Department of Revenue. The board of review submitted four equity comparables and confirmed the sale of the subject in 2014 for \$205,000.

In rebuttal, the appellant argued that the sale was an arm's length transaction at fair market value and reaffirmed the evidence submitted. The appellant also requested that the Board apply the 2016 Assessment Ratio of 9.83% and that the board of review's equity comparables are not responsive to appellant's market value argument.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

In addressing the appellant's market value argument, the Board finds that the sale of the subject in February 2014 for \$205,000 is a "compulsory sale." The MLS listing sheet disclosed the subject was a short sale. A "compulsory sale" is defined as:

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Board of Educ. of Meridian Community Unit School Dist. No. 223 v. Illinois Property Tax Appeal Board, 961 N.E.2d 794, 802, 356 Ill.Dec. 405, 413 (2d Dist. 2011) citing Chrysler Corp. v. Illinois Property Tax Appeal Board, 69 Ill.App.3d 207, 211 387 N.E.2d 351 (2d Dist. 1979)).

However, the Illinois General Assembly recently provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of the comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sale of comparable properties submitted by the parties to revise and/or correct the subject's assessment.

The evidence submitted disclosed the subject's sale was a compulsory sale/short sale. However, the board of review did not submit any sufficient market data to challenge the subject's sale. The board of review's equity comparables did not address the appellant's market value argument. Therefore, the Board finds a reduction is warranted based on the market value evidence submitted which is the sale of the subject in February 2014 for \$205,000.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
