

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Deepak Patel
DOCKET NO.: 16-42726.001-R-1
PARCEL NO.: 07-27-211-070-0000

The parties of record before the Property Tax Appeal Board are Deepak Patel, the appellant(s), by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,257
IMPR.: \$86,806
TOTAL: \$98,063

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a 16 year-old, two-story, single-family dwelling of masonry construction containing 4,803 square feet of living area. Features of the dwelling include a full unfinished basement, three and one-half baths, and a three-car garage. The property has a 19,579 square foot site in Schaumburg Township, Cook County. It is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested sale comparables which sold from May 2014 to January 2016 for prices ranging from \$675,000 to \$795,000 or from \$150.03 to \$180.03 per square foot of living area, including land. Appellant requested that the Board apply the 2016 three-year median level of assessment for Cook County of 9.83% as determined by the Illinois

Department of Revenue. The appellant requested the subject's assessment be reduced to \$80,536.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$98,063. The subject's assessment reflects a market value of \$997,589 or \$207.70 per square foot of living area including land, when applying the 2016 three-year median level of assessment for Cook County of 9.83% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on four suggested sale comparables. The board of review's brief also stated that the subject does not qualify for a reduction based on a rollover or median level of assessment.

In rebuttal, the appellant reaffirmed the evidence previously submitted and stated that the board of review's evidence are "raw/unconfirmed sales data" and distinguished the comparables based on condition, land size, amenities, and location. The appellant also stated that appeal is not based on "rollover rules" but is a direct appeal.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparables and the board of review's comparables #1 and #2. These comparables sold for prices ranging from \$150.03 to \$208.12 per square foot of living area, including land. The subject's assessment reflects a market value of \$207.70 per square foot of living area including land, which is within the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
