

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: FTS Ventures LLC
DOCKET NO.: 16-42819.001-R-1
PARCEL NO.: 13-20-302-013-0000

The parties of record before the Property Tax Appeal Board are FTS Ventures LLC, the appellant(s), by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 7,345
IMPR.: \$39,193
TOTAL: \$46,538

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story building of masonry construction with 6,640 square feet of building area. The building is 86 years old. Features of the building include a partial unfinished basement. The property has a 6,678 square foot site, and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance. The subject is owned by a business entity, and, therefore, it is not owner occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on June 30, 2014 for a price of \$150,000, or \$22.59 per square foot of building area, including land. The settlement statement submitted by the appellant states that the seller was Firstmerit Bank, N.A.. The appellant also submitted a copy of the subject's prior year's decision identified by docket #15-

38121. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10.00% of the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$25,674. The subject's assessment reflects a market value of \$256,740, or \$38.67 per square foot of living area, including land, when applying the 2016 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted four equity comparables, one of which reflected sale data. These comparable sold in December 2015 for \$80.82 per square foot of living area, including land.

In rebuttal, the appellant again submitted the subject's prior year's decision.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the sale of the subject in June 2014 for \$150,000 was a "compulsory sale." A "compulsory sale" is defined as:

(i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. The Board finds that the sale of the subject is a compulsory sale, in the form of a foreclosure, based on the settlement statement submitted by the appellant, which states that the seller was a financial institution, namely, Firstmerit Bank, N.A. See id.

Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 2012 IL App (2d) 100068, ¶ 36 (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill.App.3d 207, 211 (2d Dist. 1979)).

However, the Illinois General Assembly has provided guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sales of comparable properties submitted by the parties to revise and/or correct the subject's assessment. Id. In considering the compulsory sale of the subject, the Board may look to the market value evidence submitted by the parties to determine whether the purchase price was at the subject's fair market value. 86 Ill.Admin.Code §1910.65(c). Such evidence may consist of the sales of comparables properties. 86 Ill.Admin.Code §1910.65(c)(4); see, Calumet Transfer, LLC v. Ill. Prop. Tax Appeal Bd., 401 Ill.App.3d 652, 655-56 (1st Dist. 2010) (“[The Board] allowed the [intervenor] to challenge the arm's-length nature of the transaction by offering evidence of comparable property sales. This was permissible under paragraph (4) of section 1910.65(c).”)

In the instant appeal, the board of review submitted information on one comparable sale, while the appellant failed to submit any comparable sales for the Board's consideration. Accordingly, the Board finds that the appellant failed to provide sufficient evidence that the subject is overvalued. As there is no range of sales with which to evaluate the compulsory sale of the subject property, the Board finds that the appellant has not proven the subject is overvalued by a preponderance of the evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
