

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rafique Mota
DOCKET NO.: 16-42864.001-R-1
PARCEL NO.: 28-29-200-021-1136

The parties of record before the Property Tax Appeal Board are Rafique Mota, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 518
IMPR.: \$7,930
TOTAL: \$8,448

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a residential condominium unit in a multi-unit building. The building was built in 1986 and is situated on a 218,706 square foot site. The property is located in Bremen Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance. The property is not own7r-occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted sale information on eight sale comparables, all located in the subject's building. These comparables sold between February 2015 and September 2016 for sale prices ranging from \$46,500 to \$62,000 per unit. The appellant failed to include the square footage of living area or percentage of ownership in the common elements for the subject and comparables. Based on this evidence, the appellant requested an assessment reduction to \$5,485.

The board of review did not submit any evidence in support of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that although the comparables presented by the appellant may be similar to the subject property, the appellant failed to submit several key elements to comparability: the percentage of ownership allocated to each unit as well as the square footage of each unit. Without these elements, the Board is unable to determine comparability to the subject property. Accordingly, based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
