

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dolton Lots, LLC
DOCKET NO.: 16-42882.001-C-1
PARCEL NO.: 29-02-413-054-0000

The parties of record before the Property Tax Appeal Board are Dolton Lots, LLC, the appellant(s), by attorney Alan D. Skidelsky, of Skidelsky & Associates, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,000
IMPR.: \$3,750
TOTAL: \$23,750

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of parking lot with 47 parking spaces, a retention pond, lighting and a fence. The property has a 23,679 square foot site located in Thornton Township, Cook County. The property is a class 5 property under the Cook County Real Property Assessment Classification Ordinance. The appellant stated the subject was previously an omitted assessment property.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$95,000 as of January 1, 2016. In addition, the appellant submitted documentation that the appellant purchased the subject property from the Village of Dolton on September 17, 2015 for a price of \$50,000. The appellant disclosed the total assessment for the subject of \$36,375. The subject's assessment reflects a market value of \$145,500 when applying the 2016 level of assessment for

class 5 property under the Cook County Real Property Assessment Classification Ordinance of 25%.

In a letter dated September 11, 2019, the Property Tax Appeal Board denied the board of review's motion to vacate default.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$95,000 as of the assessment date at issue. Since market value has been established the 2016 level of assessment for class 5 property under the Cook County Real Property Assessment Classification Ordinance of 25% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
