

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eileen Brewer
DOCKET NO.: 16-42917.001-R-1
PARCEL NO.: 20-11-204-024-0000

The parties of record before the Property Tax Appeal Board are Eileen Brewer, the appellant, by attorney Michael Griffin, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,325
IMPR.: \$54,175
TOTAL: \$80,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction. Features of the home include a full basement, central air conditioning, four fireplace and a two-car garage. The property has a 10,000 square foot site and is located in Hyde Park Township, Cook County.

The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2015 tax year should be carried forward to the 2016 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant disclosed that the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 2015-32358-R-I. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to 2016 based on the evidence submitted by the parties. The appellant's attorney asserted that tax years 2015 and 2016 are within the same general assessment

period. The appellant also submitted an appraisal estimating the subject property had a market value of \$950,000 as of November 30, 2012 to demonstrate the subject was overvalued.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$92,791. The subject's assessment reflects a market value of \$927,000 when using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%. In its Notes on Appeal, the board of review indicated that the subject qualifies for a rollover.

Conclusion of Law

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2015 tax year should be carried forward to the 2016 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2016 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2015 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2015 and 2016 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
