

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lois Gilich  
DOCKET NO.: 16-43097.001-R-1  
PARCEL NO.: 24-34-113-024-1024

The parties of record before the Property Tax Appeal Board are Lois Gilich, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$735  
**IMPR.:** \$2,685  
**TOTAL:** \$3,420

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a residential condominium unit. It is a Class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2015 tax year should be carried forward to the 2016 tax year pursuant to Section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant submitted a brief in which she argued that the subject property was an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board in the prior year under Docket Number 15-28818-R-1. In that appeal, the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$3,240 based on the

evidence submitted by the parties. The appellant submitted a copy of that decision. The appellant asserted that tax years 2015 and 2016 were within the same general assessment period. The appellant also submitted a copy of the Board's prior 2015 decision.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$3,420. The subject's assessment reflects a market value of \$34,200 when using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10.00%. The board of review also printed "Rollover" on the face of its Notes on Appeal.

In rebuttal, the appellant reiterated that the subject was owner-occupied in 2016.

### **Conclusion of Law**

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2015 tax year should be carried forward to the 2016 tax year pursuant to Section 16-185, *supra*. When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2015 tax year should be carried forward to the tax year at issue subject only to equalization as provided by Section 16-185, *supra*.

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185.

The record disclosed: that the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2015 tax year; that the subject property is an owner-occupied dwelling; and that 2015 and 2016 are within the same general assessment period. The record contains no evidence that the subject property was sold in an arm's-length transaction after the Board's decision or that the decision of the Board has been reversed or modified upon review. Therefore, Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
