

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Elizabeth Stojanoff
DOCKET NO.: 16-43284.001-R-1
PARCEL NO.: 13-01-219-030-0000

The parties of record before the Property Tax Appeal Board are Elizabeth Stojanoff, the appellant(s), by attorney William J. Seitz, of the Law Offices of William J. Seitz, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,600
IMPR.: \$50,400
TOTAL: \$57,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a vacant, 87-year-old, three-story, multi-family dwelling of masonry construction. The property has a 4,125 square foot site located in Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an "as-is" appraisal estimating the subject property had a market value of \$410,000 as of December 7, 2015. The appellant also submitted a copy of the subject's prior year Property Tax Appeal Board decision, docket 15-38929.001-R-1, wherein the Property Tax Appeal Board ("PTAB") reduced the subject's assessment to \$57,000 based on the parties' agreement. Based on this evidence, the appellant requested an assessment reduction to \$57,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$60,433. The subject's assessment reflects a market value of \$604,330, including land, when applying the 2016 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support of its contention of the correct assessment the board of review submitted information on four properties suggested as comparable to the subject. The board of review's grid sheet indicates the subject sold in January 2016 for a price of \$410,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the comparable sales contained within the appellant's appraisal. After adjusting the sales to account for differences in property characteristics and location, the Board finds a reduction to the appellant's requested assessment of \$57,000 is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
