

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dorothy Chastain  
DOCKET NO.: 16-43334.001-R-1  
PARCEL NO.: 14-07-208-014-0000

The parties of record before the Property Tax Appeal Board are Dorothy Chastain, the appellant, by attorney Michael Griffin, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$18,748  
**IMPR.:** \$19,307  
**TOTAL:** \$38,055

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry construction with 2,844 square feet of living area. Features of the home include a full basement and a two-car garage. The property has a 4,687 square foot site and is located in Lake View Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted limited information on four suggested equity comparables. In addition, the appellant submitted a prior Board decision under Docket Number 15-29902.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$38,055 based on the evidence submitted by the parties. In the instant case, the appellant did not provide a brief requesting that the subject's 2015 assessment be carried forward, nor did the appellant provide any evidence that the subject is owner-occupied.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$51,141. The subject's assessment reflects a market value of \$511,410 when using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%. The board of review's notes on appeal also indicate that the subject qualifies for a rollover.

### **Conclusion of Law**

Although the appellant raises an equity argument, the Board finds section 16-185 of the Property Tax Code (35 ILCS 200/16-185) applicable to the instant appeal and it states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The appellant failed to submit any evidence or argument that the subject is owner-occupied. However, the board of review's Notes on Appeal indicate that the subject qualifies for a rollover. The Property Tax Appeal Board finds that the assessment as established by the board for the 2015 year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2015 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2015 and 2016 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arms' length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
