

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bhim Hans
DOCKET NO.: 16-43418.001-R-1
PARCEL NO.: 29-05-201-021-0000

The parties of record before the Property Tax Appeal Board are Bhim Hans, the appellant(s), by attorney William I. Sandrick, of Sandrick Law Firm, LLC in South Holland; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,742
IMPR.: \$3,258
TOTAL: \$5,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 56 year old, two-story, two unit, multi-family building containing 2,294 square feet of building area. The property has a 5,360 square foot site and is class 2-11 property located in South Holland, Thornton Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$20,000 as of January 1, 2013. The evidence including the appraisal does not state that the subject is owner-occupied. Appellant requested a reduction in the subject's assessment to \$5,000 based on the subject's prior 2015 Board decision.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$10,385 which reflects a market value of \$103,850 when using the 10% level of

assessment for Class 2 property as determined by the Cook County Real Property Classification Ordinance. The board of review stipulated to the subject's 2015 assessed value of \$5,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$103,850 which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$20,000 as of the assessment date at issue. The Board per the appellant's request and the board of review's requested stipulated amount, shall reduce the subject's total assessed value to \$5,000.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
