

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 3051 N. Kimball LLC  
DOCKET NO.: 16-43431.001-R-1  
PARCEL NO.: 13-26-210-004-0000

The parties of record before the Property Tax Appeal Board are 3051 N. Kimball LLC, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,305  
**IMPR.:** \$10,695  
**TOTAL:** \$15,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 3,075 square foot parcel of land improved with a 67-year old, two-story, frame, multi-family dwelling containing 1,724 square feet of building area. The property is located in Chicago, Jefferson Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation, inequity and contention of law as the bases of the appeal. In support of the market value argument, the appellant submitted evidence of the purchase of the subject on April 3, 2013 for \$150,000. The appellant included the settlement statement listing real estate fees in the transactions.

In support of the equity argument, the appellant submitted five comparables. The properties are described as two-story, frame or masonry, multi-family dwellings. They range: in age from 64 to

124 years; in size from 1,954 to 1,976 square feet of building area; and in improvement assessment from \$10.60 to \$14.66 per square foot of building area.

In support of the contention of law the appellant's brief states that in 2015 the Board reduced the assessment and that "[s]ince the time of this reduction, there have been no capital improvements made to the property which would materially increase the market value thereof." The appellant did not submit any evidence as to the occupancy of the subject.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$26,372 with an improvement assessment of \$22,067 or \$12.80 per square foot of building area. The total assessment reflects a market value of \$263,720 or \$152.97 per square foot of building area.

In support of the assessment the board of review submitted four comparables. These properties are described as two-story, frame, multi-family dwellings. They range: in age from 104 to 117 years; in size from 1,592 to 1,866 square feet of building area; and in improvement assessments from \$12.96 to \$14.20 per square foot of building area. They sold from August to December 2015 for prices ranging from \$154.59 to \$251.10 per square foot of building area. The board of review also lists the sale of the subject in April 2013 for \$150,000.

### **Conclusion of Law**

The appellant raised contention of law argument as established by the Property Tax Appeal Board section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15).

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Property Tax Appeal Board finds the brief submitted by the appellant specifically addresses any changes in ownership to the subject, but fails to establish that the subject is an owner-occupied residence. The appellant is a corporation and cannot be an owner occupier. Therefore, the Board finds this statute does not apply in the instant appeal and the assessment cannot be automatically applied to the 2016 lien year.

The appellant also contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of

market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in April 2013 for a price of \$150,000. The appellant submitted evidence of the sale of the subject while the board of review did not present any evidence to challenge the arm's-length nature of the transaction. Moreover, the board of review listed this sale in its evidence. Based on this record the Board finds the subject property had a market value of \$150,000 as of the lien date and that a reduction in the subject's assessment is justified. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply. After this reduction, the Board finds the subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
