

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rafique Mota
DOCKET NO.: 16-43688.001-R-1
PARCEL NO.: 24-18-317-011-1011

The parties of record before the Property Tax Appeal Board are Rafique Mota, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$748
IMPR.: \$6,300
TOTAL: \$7,048

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a residential condominium unit contained in a 41 year-old, three-story residential condominium building of masonry construction. The subject owns 8.53% of the common elements. Each condominium unit is designated by a different Property Index Number (PIN). The subject is identified by PIN 1011. The property has a 19,500 square foot site in Worth, Worth Township, Cook County. It is a Class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six suggested comparable sales, each of which are in different buildings than the subject. The appellant did not submit descriptive information about

these suggested comparable units, such as square footage of living area or percentages of common elements ownership. The appellant also submitted a copy of the Board's 2015 decision about the subject.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$7,048. The subject's assessment reflects a market value of \$70,480 when applying the 2016 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted a condominium analysis with information on suggested comparable sales for one unit in the building, PIN 1009, that sold in 2013 for \$42,000. PIN 1009 owned 8.47% of the common elements. However, the board of review argued the full value of the property was \$720,909.

In rebuttal, the appellant reaffirmed the request for an assessment reduction.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant did not submit descriptive information about its suggested comparable properties, such as percentages of common elements or size of living area. The board of review submitted only one comparable property. Although it is in the same building as the subject and owns almost the same percentage of common elements as the subject, it is not enough to satisfy the requirement of descriptive information on at least three recent sales. The Rules of the Board provide that there must be "documentation of not fewer than three recent sales of suggested comparable properties together with documentation of the similarity, proximity and lack of distinguishing characteristics of the sales comparables to the subject property." 86 Ill.Admin.Code §1910.65(c)(4). The record does contain not fewer than three such recent sales. Therefore, based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
