

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chris Tsaliagos
DOCKET NO.: 16-43795.001-C-1
PARCEL NO.: 13-29-128-034-0000

The parties of record before the Property Tax Appeal Board are Chris Tsaliagos, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,437
IMPR.: \$ 24,863
TOTAL: \$ 28,300

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2016 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story building of masonry construction with 3,250 square feet of building area. The building is 58 years old. Features of the home include a full unfinished basement and central air conditioning. The property has a 3,125 square foot site, and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject is owner occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four sale comparables. These comparables sold between June 2012 and January 2015 for \$90,000 to \$320,000, or \$30.90 to \$68.39 per square foot of building area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$15,768.

The board of review submitted its “Board of Review Notes on Appeal” disclosing the total assessment for the subject of \$28,300. The subject’s assessment reflects a market value of \$283,000, or \$87.08 per square foot of building area, including land, when applying the 2016 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, and four sale comparables. These comparables sold between May 2013 and June 2015 for \$265,000 to \$385,000, or \$92.22 to \$136.52 per square foot of building area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof, and a reduction in the subject’s assessment is not warranted.

The Board finds the best evidence of market value to be appellant’s comparables #1 and #4, and board of review comparables #2, #3, and #4. These comparables sold for prices ranging from \$30.90 to \$136.52 per square foot of building area, including land. The subject’s assessment reflects a market value of \$87.08 per square foot of building area, including land, which is within the range established by the best comparables in this record. Based on this record, the Board finds the appellant has not proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject’s assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
