

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steve Harder, HB Equities
DOCKET NO.: 17-00200.001-R-1
PARCEL NO.: 16-17-06-308-020

The parties of record before the Property Tax Appeal Board are Steve Harder, HB Equities, the appellant, by attorney Jessica Hill-Magiera in Lake Zurich; and the Kankakee County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Kankakee** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,893
IMPR.: \$1,773
TOTAL: \$6,666

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Kankakee County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of 1.5-story dwelling of aluminum siding exterior construction with approximately 1,419 square feet of living area. The dwelling was constructed in 1949. Features of the home include a full basement, central air conditioning, a fireplace, an attached garage and a detached garage.¹ The property is located in Kankakee, Kankakee Township, Kankakee County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on June 20, 2016 for a price of

¹ All descriptive information of the subject property was drawn from the Multiple Listing Service (MLS) sheet provided by the appellant, as counsel for the appellant did not provide any descriptive information of the property in the appeal petition nor did the board of review provide any descriptive information of the property with the submission of an illegible property record card.

\$20,000 and the parties to the transaction were not related. Two items of supporting documentation were also filed. A copy of the Settlement Statement was filed depicting the date and purchase price reported by the appellant with a cash sale and that the seller was Bank of America, N.A. This document also depicts that broker's fees were paid to two entities. A copy of a Multiple Listing Service data sheet was filed depicting that the property had an original asking price of \$20,900 and sold for \$20,000 after having been on the market for 44 days. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$21,079. The subject's assessment reflects a market value of \$63,243, land included, when using the 2017 three-year average median level of assessment for Kankakee County of 33.33% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted a Parcel Information Report and a property record card containing limited information for the subject property. The property record card includes a handwritten notation "insp. 10/13/16 and \$1,295/m rent 9/2016." The Parcel Information Report includes a notation that the property sold June 20, 2016 for \$20,000.

In rebuttal, counsel for the appellant argued that the board of review did not dispute the recent sale of the subject property and did not provide any evidence that the recent sale was not valid. The appellant argued that the sale of the subject meets the criteria of an arm's-length transaction in that it was advertised for sale and the sale was not between related parties.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best and only evidence of market value to be the purchase of the subject property in June 2016 for a price of \$20,000. The appellant provided evidence demonstrating the sale had the elements of an arm's-length transaction. The appellant completed part of Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related and supporting documentation depicted that the property had been advertised on the open market with the Multiple Listing Service for 44 days. In further support of the transaction the appellant submitted a copy of the Settlement Statement. The board of review provided no evidence to dispute the appellant's assertions concerning the sale and did not provide comparable market value evidence to dispute the June 2016 sale price of the subject property.

On this limited record, the Board finds the purchase price of \$20,000 is below the market value of \$63,243 as reflected by the assessment. The Property Tax Appeal Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to

refute the contention that the purchase price was reflective of market value. Based on this record the Board finds a reduction in the subject's assessment commensurate with the appellant's request is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
