

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alpesh & Shital Patel  
DOCKET NO.: 17-00467.001-R-1  
PARCEL NO.: 07-01-12-210-017-0000

The parties of record before the Property Tax Appeal Board are Alpesh & Shital Patel, the appellants, by attorney Jerri K. Bush, of Sandrick Law Firm, LLC in South Holland, and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$45,970  
**IMPR.:** \$185,667  
**TOTAL:** \$231,637

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-180 of the Property Tax Code (35 ILCS 200/16-180) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 3,699 square feet of living area. The dwelling was constructed in 2014. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 757 square foot garage. The property is located in Naperville, Wheatland Township, Will County.

The appellants' appeal is based on overvaluation. In support of this argument, the appellants submitted data on three comparable sales. Comparable #2 is located in the same neighborhood code assigned by the assessor as the subject property; comparables #1 and #3 are each at least 1.5-miles from the subject property. Based on this evidence, the appellants requested a reduction in the subject's assessment.

Additionally, in a filing made subsequent to the issuance of the Board's decision on tax year 2016, the appellants contend the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2016 tax year should be carried forward to the 2017 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). In that additional filing, the appellants disclosed that the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 16-00308.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$226,650 based on the evidence submitted by the parties. The appellants' attorney has asserted that tax years 2016 and 2017 are within the same general assessment period.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total 2017 assessment for the subject of \$245,263. The subject's assessment reflects a market value of \$736,083 or \$199.00 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Will County of 33.32% as determined by the Illinois Department of Revenue.

In response to the appeal, the township assessor disputed the comparability of appellant's sales #1 and #3 since the properties were not in the subject's subdivision. In support of its contention of the correct assessment, the board of review through the township assessor submitted information on five comparable sales, including the property identified as appellants' comparable #2.

The evidence provided by the board of review further disclosed that a township equalization factor of 1.0220 was applied in 2017 to all non-farm properties in Wheatland Township.

### **Conclusion of Law**

The appellants in a subsequent filing in this appeal raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2016 tax year should be carried forward to the 2017 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2016 tax year of \$226,650 should be carried forward to the 2017 tax year at issue subject only to equalization of 1.0220 as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash

value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2016 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2016 and 2017 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. The record also disclosed that a township equalization factor of 1.0220 was applied in 2017. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of the equalization factor of 1.0220.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
