

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Scott McKinley
DOCKET NO.: 17-00513.001-R-1
PARCEL NO.: 06-23-406-080

The parties of record before the Property Tax Appeal Board are Scott McKinley, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,743
IMPR.: \$44,856
TOTAL: \$49,599

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling with vinyl exterior siding containing 1,448 square feet of living area. The dwelling was constructed in 2002. Features of the home include a finished 280 square foot basement, central air conditioning and a 400 square foot garage. The property has a 1,742 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that were located from .07 to .11 of a mile from the subject property. The comparables were similar two-story dwellings with vinyl exterior siding containing 1,448 square feet of living area. The homes were built in 2000 or 2002. The comparables had other features with varying degrees of similarity to the subject. The comparables sold from September to November 2016 for prices ranging from \$135,000 to \$142,500 or from \$93.23 to \$98.41 per square foot of living area, including land. Based on this

evidence the appellant requested that the subject's assessment be reduced to \$45,662 or a market value of approximately \$137,744.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$49,599. The subject's assessment reflects a market value of \$149,620 or \$103.33 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that were located from .11 to .24 of a mile from the subject property. The comparables were similar two-story dwellings with vinyl exterior siding containing from 1,444 to 1,488 square feet of living area. The homes were built from 1999 to 2002. The comparables had other features with varying degrees of similarity to the subject. The comparables sold from July 2016 to January 2017 for prices ranging from \$144,000 to \$152,500 or from \$99.72 to \$103.88 per square foot of living area, including land. Based on this evidence the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds all of the parties' comparable sales were similar to the subject in location, lot size, style, age and features. These comparables also sold proximate in time to the January 1, 2017 assessment date at issue. The comparables sold from July 2016 to January 2017 for prices ranging from \$135,000 to \$152,500 or from \$93.23 to \$103.88 per square foot of living area, including land. The subject's assessment reflects a market value of \$149,620 or \$103.33 per square foot of living area, including land, which is within the range established by the comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
