

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: CSMA BLT, LLC
DOCKET NO.: 17-00651.001-R-1
PARCEL NO.: 12-05-205-033

The parties of record before the Property Tax Appeal Board are CSMA BLT, LLC, the appellant, by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC, in Chicago, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Lake County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$3,174
IMPR.:	\$15,824
TOTAL:	\$18,998

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level dwelling of vinyl siding exterior construction with 1,104 square feet of living area. The dwelling was constructed in 1999. Features of the home include a finished lower level, a partial unfinished basement and a fireplace. The property has a 6,098 square foot site and is located in North Chicago, Shields Township, Lake County.

The appellant contends assessment inequity as the basis of the appeal challenging the improvement assessment; no dispute was raised concerning the land assessment. In support of this inequity argument, the appellant submitted information on six comparables located in the subject's subdivision. The comparables consist of split-level or tri-level dwellings of brick, wood siding or aluminum siding exterior construction that were built between 1920 and 1963. The

comparables range in size from 972 to 1,373 square feet of living area. Each comparable has finished lower level areas and two comparables also have basements. Comparables #3 and #4 each also have a 460 and a 400 square foot garage, respectively. The comparables have improvement assessments ranging from \$6,063 to \$14,655 or from \$6.24 to \$10.73 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$18,998. The subject property has an improvement assessment of \$15,824 or \$14.33 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the subject's subdivision. The comparables consist of a split-level and three, tri-level dwellings of aluminum or vinyl siding exterior construction that were built in 1999 or 2002. The comparables contain either 1,072 or 1,128 square feet of living area. Each comparable has finished lower level areas and two comparables also have basements. Three of the comparables have central air conditioning and two of the comparables have garages of 576 and 440 square feet of building area, respectively. The comparables have improvement assessments ranging from \$15,674 to \$19,825 or from \$14.34 to \$18.49 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables #3 and #4 as these dwellings were constructed in 1930 and 1920 and in terms of age are least similar to the subject dwelling. Additionally, the Board has given reduced weight to board of review comparables #3 and #4 as each of these dwellings feature a garage which is not a feature of the subject property.

The Board finds the best evidence of assessment equity to be appellant's comparables #1, #2, #5 and #6 along with board of review comparables #1 and #2 that have varying degrees of similarity to the subject property. These six comparables had improvement assessments that ranged from \$6.24 to \$14.62 per square foot of living area. The subject's improvement assessment of \$14.33 per square foot of living area falls within the range established by the best comparables in this record and appears to be logical when adjusting for differences such as air conditioning and/or differences in foundation type. Based on this record the Board finds the appellant did not

demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
