

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Arthur Reingold
DOCKET NO.: 17-00885.001-R-1
PARCEL NO.: 16-32-305-005

The parties of record before the Property Tax Appeal Board are Arthur Reingold, the appellant, by attorney Abby L. Strauss of Schiller Strauss & Lavin PC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$68,016
IMPR.: \$264,617
TOTAL: \$332,633

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,968 square feet of living area. The dwelling was constructed in 2004. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 660 square foot garage. The property has a 12,000 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located in the same neighborhood code as the subject as assigned by the township assessor. The appellant did not disclose the site sizes of the comparables. The comparables consist of two-story dwellings of brick or wood siding exterior construction ranging in size from 3,531 to 4,215 square feet of living area. The dwellings were constructed between 2002 and 2006. Each comparable features an unfinished

basement, central air conditioning, one fireplace and a garage ranging in size from 618 to 726 square feet of building area. The comparables sold in either January or April 2017 for prices ranging from \$850,000 to \$995,000 or from \$201.66 to \$244.41 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$332,633. The subject's assessment reflects a market value of \$1,003,418 or \$252.88 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located in the same neighborhood code as the subject as assigned by the township assessor. The comparables have sites ranging in size from approximately 9,300 to 17,556 square feet of land area. The comparables consist of two-story dwellings of brick or wood siding exterior construction that were built from 2003 to 2006 and range in size from 3,871 to 4,196 square feet of living area. Each comparable features a full unfinished basement, central air conditioning, one or two fireplaces and a garage ranging in size from 530 to 630 square feet of building area. The comparables sold from August 2015 to January 2017 for prices ranging from \$905,000 to \$1,016,500 or from \$218.76 to \$262.59 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, counsel for the appellant argued that three of the four comparables submitted by the board of review are below the market value per square foot of the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board finds board of review comparable #2 sold in August 2015, which is dated and less likely to be indicative of the subject's market value as of the January 1, 2017 assessment date.

The Board finds the best evidence of market value to be the remaining six comparables submitted by the parties. These comparables sold proximate in time to the assessment date at issue and are similar to the subject in location, dwelling size, design, age and features. The comparables sold from April 2016 to April 2017 for prices ranging from \$850,000 to \$1,016,500 or from \$201.66 to \$262.59 per square foot of living area, land included. The subject's assessment reflects a market value of \$1,003,418 or \$252.88 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record.

After considering any necessary adjustments to the comparable sales for differences when compared to the subject, the Board finds the estimated market value as reflected by the assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
