

## FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Ted Connolly  
DOCKET NO.: 17-00936.001-R-1  
PARCEL NO.: 14-22-201-076

The parties of record before the Property Tax Appeal Board are Ted Connolly, the appellant, by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>LAND:</b>	\$49,936
<b>IMPR.:</b>	\$162,513
<b>TOTAL:</b>	\$212,449

Subject only to the State multiplier as applicable.

### **Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

### **Findings of Fact**

The subject property consists of a two-story dwelling of brick construction with 3,316 square feet of living area. The dwelling was constructed in 1995. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 690 square foot garage. The property has a 16,560 square foot site and is located in Kildeer, Ela Township, Lake County.

The appellant through counsel contends assessment inequity as the basis of the appeal. The subject's land assessment was not contested. In support of this argument the appellant submitted information on 12 suggested equity comparables located from .02 of a mile to .56 of a mile from the subject property. The comparables were improved with two-story dwellings with wood siding exterior construction that range in size from 3,307 to 3,579 square feet of living area. The dwellings were built from 1991 to 1996. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and an attached garage ranging in size from 440 to 770

square feet of building area. The comparables have improvement assessments that range from \$151,185 to \$162,955 or from \$44.43 to \$45.96 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$151,076 or \$45.56 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$212,449. The subject property has an improvement assessment of \$162,513 or \$49.01 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on eight suggested equity comparables located from .034 of a mile to .128 of a mile from the subject property. The comparables were improved with two-story dwellings with brick, wood siding or brick and wood siding exterior construction ranging in size from 2,915 to 3,438 square feet of living area. The dwellings were built from 1994 to 1999. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and an attached garage ranging in size from 609 to 782 square feet of building area. The comparables have improvement assessments that range from \$143,364 to \$181,898 or from \$49.10 to \$52.91 per square foot of living area. Based on this evidence, the board of review requested that the assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 20 suggested comparables for the Board's consideration. The comparables are similar in location, style, dwelling size, age and features when compared to the subject property. The comparables had improvement assessments that ranged from \$143,364 to \$181,898 or from \$44.43 to \$52.91 per square foot of living area. The subject's improvement assessment of \$162,513 or \$49.01 per square foot of living area falls within the range established by the comparables in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. The requirement is satisfied if the intent is evident to adjust the burden with a reasonable degree of uniformity and if such is the effect of the statute enacted by the General Assembly establishing the method of assessing real property in its general operation. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the parties disclosed that properties

located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity which appears to exist on the basis of the evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
