

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Martin Blumenthal  
DOCKET NO.: 17-01055.001-R-1  
PARCEL NO.: 16-22-408-009

The parties of record before the Property Tax Appeal Board are Martin Blumenthal, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***no change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$53,062  
**IMPR.:** \$118,486  
**TOTAL:** \$171,548

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a two-story, wood-sided single-family dwelling constructed in 1987. The dwelling contains 2,230 square feet of living area and features a partial basement with finished area, central air-conditioning, a fireplace, and a 462-square foot garage. The dwelling is situated on a 7,500-square foot lot and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$490,000 as of January 1, 2016.

The appraiser developed the sales comparison approach to value. The appraisal included data on four comparable properties located within close proximity to the subject. The comparables sold from October 2014 to November 2015 for prices ranging from \$394,000 to \$537,500 or from

\$175.04 to \$262.67 per square foot of living area, including land. After making adjustments to the comparables for various differences from the subject, the appraiser calculated adjusted sales prices ranging from \$420,000 to \$515,500 or from \$172.77 to \$268.48 per square foot of living area, including land. The appraiser's opinion of defined value as of January 1, 2016 was \$490,000. Based on this evidence, the appellant requested a total assessment of \$163,317 or \$219.73 per square foot of living area, land included.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$171,548. The subject's assessment reflects a market value of \$517,490 or \$232.06 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review asserted that the subject property was the subject matter of an appeal before the Property Tax Appeal Board for the 2015 tax year under Docket No. 15-01312.001-R-1. In that appeal the parties reached an agreement reducing the subject's assessment to \$163,317. In a brief submitted with its Notes on Appeal, the board of review explained that Moraine Township's most recent general assessment cycle began in 2015 and runs through 2018. It further indicated that in tax years 2016 and 2017 township equalization factors of 1.0763 and 1.0504 were applied in Moraine Township. The board of review explained that if the assessment for the 2017 tax year was calculated by applying the 2016 and 2017 equalization factors to the Property Tax Appeal Board's assessment as determined for the 2015 tax year in accordance with section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the subject's assessment would be \$184,637. As the subject's total assessment for 2017 of \$171,548 is less than that required by the application of section 16-185 of the Property Tax Code, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The Board finds that the Property Tax Appeal Board issued a decision in docket 15-01312.001-R-1 reducing the subject's 2015 assessment. The Board finds Section 16-185 of the Property Tax Code is controlling in this matter. (35 ILCS 200/16-185) Section 16-185 provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board further finds that the subject property was the subject of an appeal for the 2015 tax year in which the Property Tax Appeal Board issued a decision reducing the subject's assessment to \$163,317. Appellant's appeal form shows the subject property as the appellant's address indicating that the dwelling was owner-occupied. The record further shows that the 2015 and 2017 tax years are in the same general assessment period and that equalization factors of 1.0763

and 1.0504 were applied in Moraine Township in 2016 and 2017, respectively. Further, the decision of the Property Tax Appeal Board for the 2015 tax year was not reversed or modified upon review and there was no evidence the property sold establishing a different fair cash value. Applying section 16-185 of the Property Tax Code (35 ILCS 200/16-185) would result in a total assessment of \$184,637, which is greater than property's 2017 assessment of \$171,548 as referenced by the board of review. Since the board of review requested confirmation of the subject's assessment, the Board find that no increase in the subject's assessment is justified in this appeal.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
