

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shelley R. Kohl
DOCKET NO.: 17-01071.001-R-1
PARCEL NO.: 16-32-218-001

The parties of record before the Property Tax Appeal Board are Shelley R. Kohl, the appellant, by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$54,413
IMPR.: \$65,066
TOTAL: \$119,479

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 1,363 square feet of living area. The dwelling was constructed in 1958. Features of the home include a full basement with finished area, central air conditioning and a 586 square foot detached garage. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located within .12 of a mile of the subject. The comparables are improved with one-story dwellings of brick exterior construction ranging in size from 1,352 to 1,367 square feet of living area. The dwellings were constructed in 1956 or 1958. The comparables each have a full unfinished basement, central air conditioning and an attached or detached garage ranging in size from 240 to 352 square foot garage. The comparables have improvement assessments

ranging from \$60,518 to \$61,106 or from \$44.27 to \$45.09 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$119,479. The subject property has an improvement assessment of \$65,066 or \$47.74 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted four equity comparables located within .05 of a mile of the subject property. The comparables are described as one-story dwellings of brick exterior construction ranging in size from 1,302 to 1,352 square feet of living area. The dwellings were constructed in 1958 or 1959. Features of each comparable include a basement, with one having finished area; central air conditioning; and a garage ranging in size from 264 to 528 square feet of building area. Two comparables each have one fireplace. The comparables have improvement assessments ranging from \$59,030 to \$64,636 or from \$45.09 to \$47.81 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted seven equity comparables for the Board's consideration that are similar to the subject in location, dwelling size, design, age and some features. These comparables had improvement assessments ranging from \$44.27 to \$47.81 per square foot of living area. The subject has an improvement assessment of \$47.74 per square foot of living area, which falls within the range established by the most similar comparables in this record. After considering necessary adjustments to the comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. The requirement is satisfied if the intent is evident to adjust the burden with a reasonable degree of uniformity and if such is the effect of the statute enacted by the General Assembly establishing the method of assessing real property in its general operation. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the parties disclosed that properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity, which appears to exist on the basis of the evidence presented.

Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
