

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Murphy  
DOCKET NO.: 17-01090.001-R-1  
PARCEL NO.: 09-12-406-029

The parties of record before the Property Tax Appeal Board are John Murphy, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$9,370  
**IMPR.:** \$50,299  
**TOTAL:** \$59,669

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story townhouse of wood siding exterior construction with 1,812 square feet of living area. The dwelling was constructed in 2004. Features of the home include a concrete slab foundation, central air conditioning, a fireplace and a 480 square foot garage. The property is located in Wauconda Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within the same subdivision as the subject. The comparables are described as two-story townhouses of vinyl or wood siding exterior construction containing either 1,812 or 1,838 square feet of living area. The dwellings were constructed in 2004 or 2005. Features of each comparable include a concrete slab foundation, central air conditioning and a 456 or a 480 square foot garage. Two comparables each have one fireplace. The comparables sold from January 2016 to September 2016 for prices ranging from

\$160,500 to \$177,000 or from \$87.32 to \$97.68 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$59,669. The subject's assessment reflects a market value of \$179,997 or \$99.34 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on four comparable sales located within .326 of a mile of the subject. Board of review comparable #3 is the same property as appellant's comparable #4. The comparables are described as two-story townhouses of vinyl siding exterior construction containing either 1,812 or 1,838 square feet of living area. The dwellings were constructed in 2004 or 2005. Each comparable has a concrete slab foundation, central air conditioning and a 456 or 480 square foot garage. One comparable has a fireplace. The comparables sold in September 2016 to November 2017 for prices ranging from \$177,000 to \$185,000 or from \$97.39 to \$102.10 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted nine comparable sales for consideration, which includes the parties' common comparable. These comparables are similar to the subject in location, dwelling size, design, age and features. They sold from January 2016 to November 2017 for prices ranging from \$160,500 to \$185,000 or from \$87.32 to \$102.10 per square foot of living area, including land. The subject's assessment reflects a market value of \$179,997 or \$99.34 per square foot of living area, including land which falls within the range established by the comparable sales in the record. After considering any necessary adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
