

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rugunathan Pathmanathan
DOCKET NO.: 17-01092.001-R-1
PARCEL NO.: 07-06-308-008

The parties of record before the Property Tax Appeal Board are Rugunathan Pathmanathan, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$25,062
IMPR.: \$97,605
TOTAL: \$122,667

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,214 square feet of living area. The dwelling was constructed in 2001. Features of the home include a full basement with finished area, central air conditioning, a fireplace and a 660 square foot garage. The property is located in Lake Villa, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within the same subdivision as the subject. The comparables are described as two-story dwellings of wood siding exterior construction ranging in size from 3,198 to 3,615 square feet of living area. The dwellings were constructed in 1997 or 1998. Features of each comparable include a full basement with five having finished area; central air conditioning; one or two fireplaces; and a garage ranging in size from 620 to 660 square feet of building area. The properties are situated on sites ranging in size from 10,890

to 21,780 square feet of land area. The comparables sold from February to November 2016 for prices ranging from \$320,000 to \$385,000 or from \$91.29 to \$111.01 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$122,667. The subject's assessment reflects a market value of \$370,036 or \$115.13 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on four comparable sales located within same subdivision as the subject. Board of review comparable #3 is the same property as appellant's comparable #5. The comparables are described as two-story dwellings of wood siding exterior construction ranging in size from 3,131 to 3,615 square feet of living area. The dwellings were constructed from 1997 to 2001. Each comparable has a partial or full basement with finished area; central air conditioning; one or two fireplaces; and a garage ranging in size from 620 to 765 square feet of building area. The properties are situated on sites ranging in size from 10,800 to 14,810 square feet of land area. The comparables sold from February 2016 to June 2017 for prices ranging from \$385,000 to \$447,500 or from \$106.50 to \$130.35 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted nine comparable sales for consideration, which includes the parties' common comparable. The Board gave less weight to appellant's comparable #6 based on its unfinished basement in contrast to the subject's finished basement.

The Board finds the best evidence of the subject's market value to be the remaining comparables in the record. These comparables are similar to the subject in location, dwelling size, design, age and features. They sold from February 2016 to June 2017 for prices ranging from \$320,000 to \$447,500 or from \$99.00 to \$130.35 per square foot of living area, including land. The subject's assessment reflects a market value of \$370,036 or \$115.13 per square foot of living area, including land which falls within the range established by the best comparable sales in the record. After considering any necessary adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
