

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ron Read  
DOCKET NO.: 17-01222.001-R-1  
PARCEL NO.: 09-24-201-031

The parties of record before the Property Tax Appeal Board are Ron Read, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$24,531  
**IMPR.:** \$69,548  
**TOTAL:** \$94,079

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,397 square feet of living area. The dwelling was constructed in 2004. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 600 square foot garage. The property has a 10,010 square foot site and is located in Wauconda, Wauconda Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located in the same neighborhood code as the subject as assigned by the township assessor. The comparables have sites ranging in size from 10,053 to 11,351 square feet of land area. The comparables consist of two-story dwellings of vinyl siding exterior construction ranging in size from 2,170 to 2,654 square feet of living area. The dwellings were constructed in either 2003 or 2004. The comparables each feature a

basement, with one having finished area and central air conditioning. Three comparables each have one fireplace and each comparable has a garage containing 462 or 640 square feet of building area. The comparables sold from January 2016 to February 2017 for prices ranging from \$210,000 to \$296,000 or from \$96.77 to \$115.69 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$94,079. The subject's assessment reflects a market value of \$283,798 or \$118.40 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located in the same neighborhood code as the subject as assigned by the township assessor. Board of review comparables #3 and #4 are the same properties as the appellant's comparables #2 and #1, respectively. The comparables have sites ranging in size from 10,040 to 10,332 square feet of land area. The comparables consist of two-story dwellings of vinyl siding exterior construction that were built in 2003 or 2004 and contain either 2,550 or 2,756 square feet of living area. Each comparable features a full unfinished basement, central air conditioning, one fireplace and a garage containing 580 or 640 square feet of building area. The comparables sold from December 2016 to June 2017 for prices ranging from \$292,000 to \$320,000 or from \$114.51 to \$116.47 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six comparable sales for the Board's consideration, including two comparables utilized by both parties. The Board gave less weight to board of review comparable #2 due to its larger dwelling size when compared to the subject.

The Board finds the best evidence of market value to be the remaining five comparables submitted by the parties. These comparables are similar to the subject in location, dwelling size, design, age and features. They sold from January 2016 to June 2017 for prices ranging from \$210,000 to \$297,000 or from \$96.77 to \$116.47 per square foot of living area, land included. The subject's assessment reflects a market value of \$283,798 or \$118.40 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record. After considering any necessary adjustments to the comparables for differences when compared to the subject, the Board finds the estimated market value as reflected by the assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
