

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Esther Wojuade  
DOCKET NO.: 17-01231.001-R-1  
PARCEL NO.: 07-19-205-014

The parties of record before the Property Tax Appeal Board are Esther Wojuade, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$27,950  
**IMPR.:** \$90,662  
**TOTAL:** \$118,612

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,807 square feet of living area. The dwelling was constructed in 1996. Features of the home include a full basement with finished area, central air conditioning, a fireplace and a 525 square foot garage. The property has a 14,407 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located within .93 of a mile of the subject property. The comparables have sites ranging in size from 10,050 to 13,504 square feet of land area. The comparables consist of two-story dwellings of wood siding exterior construction ranging in size from 2,530 to 2,779 square feet of living area. The dwellings were constructed in either 1995 or 1996. The comparables each feature a basement, with one having

finished area, central air conditioning, one fireplace and a garage ranging in size from 500 to 525 square feet of building area. The comparables sold in August 2016 and February 2017 for prices ranging from \$273,000 to \$325,000 or from \$107.91 to \$117.80 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$118,612. The subject's assessment reflects a market value of \$357,804 or \$127.47 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located between .20 of a mile and 1.12 miles from the subject property. The comparables were improved with two-story dwellings of wood siding exterior construction ranging in size from 2,463 to 2,895 square feet of living area. The dwellings were constructed from 1994 to 1996. The comparables each have a basement with three having finished area and central air conditioning. Two comparables have one or two fireplaces and each comparable has a garage containing 504 or 622 square feet of building area. The comparables sold from May 2015 to April 2017 for prices ranging from \$305,000 to \$379,000 or from \$123.83 to \$137.37 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board gave less weight to board of review comparable #1 due to its less proximate location to the subject. The Board finds board of review comparable #2 sold in 2015, which is dated and less likely to be indicative of the subject's market value as of the January 1, 2017 assessment date.

The Board finds the best evidence of market value to be the remaining five comparables submitted by the parties. These comparables are similar to the subject in location, dwelling size, design, age and features. They sold from June 2016 to March 2017 for prices ranging from \$273,000 to \$379,000 or from \$107.91 to \$137.37 per square foot of living area, land included. The subject's assessment reflects a market value of \$357,804 or \$127.47 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record. After considering any necessary adjustments to the comparables for differences when compared to the subject, the Board finds the estimated market value as reflected by the assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
