

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kathy McDonough
DOCKET NO.: 17-01235.001-R-1
PARCEL NO.: 16-14-402-001

The parties of record before the Property Tax Appeal Board are Kathy McDonough, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Lake County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$111,083
IMPR.: \$194,110
TOTAL: \$305,193

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2.5-story dwelling of wood siding exterior construction with 3,728 square feet of living area. The dwelling was constructed in 1920. Features of the home include a full basement with finished area, central air conditioning, five fireplaces and a 660 square foot garage. The property has a 12,737 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located in the same neighborhood code as the subject property as assigned by the township assessor. The comparables consist of one, 2-story dwelling and two, 2.5-story dwellings of stucco exterior construction ranging in size from 3,806 to 4,220 square feet of living area. The dwellings were constructed from 1912 to 1923. The comparables each feature a

basement, with two having finished area, central air conditioning, two fireplaces and a garage ranging in size from 506 to 782 square feet of building area. The comparables have improvement assessments ranging from \$148,100 to \$196,914 or from \$37.81 to \$51.74 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$305,193. The subject property has an improvement assessment of \$194,110 or \$52.07 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same neighborhood code as the subject property as assigned by the township assessor. Board of review comparable #1 and the appellant's comparable #1 are the same property. The comparables were improved with two, 2-story dwellings and two, 2.5-story dwellings of stucco, brick or wood siding exterior construction ranging in size from 3,607 to 3,811 square feet of living area. The comparables were built between 1915 and 1925. The comparables each feature a basement, with three having finished area, central air conditioning, one to four fireplaces and a garage ranging in size from 400 to 782 square feet of building area. The comparables have improvement assessments ranging from \$190,180 to \$201,100 or from \$49.90 to \$55.75 per square foot of building area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six equity comparables for the Board's consideration, one of which is utilized by both parties. The Board gave less weight to the appellant's comparables #2 and #3 that are either larger in dwelling size or lack a finished basement unlike the subject. The Board also gave less weight to board of review comparable #4 due to its lack of a finished basement.

The Board finds the board of review comparables #1, #2 and #3, which includes the parties' common comparable, are most similar to the subject in dwelling size, design, age and features. These comparables have improvement assessments ranging from \$193,794 to \$201,100 or from \$51.74 to \$55.75 per square foot of living area. The subject property has an improvement assessment of \$194,110 or \$52.07 per square foot of living area, which falls within the range of the best comparables in this record. After considering any necessary adjustments to the comparables for differences when compared to the subject, the Board finds the evidence demonstrates the subject's improvement assessment is justified. Based on this record the Board

finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and no reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
