

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Iris Cohn
DOCKET NO.: 17-01377.001-R-1
PARCEL NO.: 16-32-411-047

The parties of record before the Property Tax Appeal Board are Iris Cohn, the appellant, by attorney Abby L. Strauss, of Schiller Strauss & Lavin PC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$28,921
IMPR.: \$123,815
TOTAL: \$152,736

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story brick townhome. The dwelling was constructed in 1989 and contains 2,436 square feet of living area. Features include an unfinished basement, central air conditioning, a fireplace and a 441 square foot garage. The subject is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within .013 of a mile from the subject. The comparables are described as two-story brick townhomes built in 1989 or 1993. Each dwelling contains 2,436 square feet of living area and features an unfinished basement, central air conditioning, a fireplace and a 441 square foot garage. Each comparable has an improvement assessment of

\$111,434 or \$45.74 per square foot of living area. Based on this evidence the appellant requested the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$152,736. The subject property has an improvement assessment of \$123,815 or \$50.83 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on eight comparables located within 0.039 of a mile from the subject. The comparables are described as two-story brick townhomes built from 1989 to 1992. Each dwelling contains 2,436 square feet of living area and features an unfinished basement, central air conditioning, a fireplace and a 441 square foot garage. Each comparable has an improvement assessment of \$123,815 or \$50.83 per square foot of living area. Based on this evidence the board of review asked for confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board gives equal weight to the 11 comparables submitted by the parties. These comparables are very similar to the subject in location, style, exterior construction, dwelling size, age and features. The comparables have improvement assessments ranging from \$45.74 to \$50.83 per square foot of living area. The subject's improvement assessment of \$50.83 per square foot of living area is supported by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
