

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William T. Rentschler  
DOCKET NO.: 17-01462.001-R-1  
PARCEL NO.: 21-14-20-212-067-0000

The parties of record before the Property Tax Appeal Board are William T. Rentschler, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Will** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,214  
**IMPR.:** \$41,883  
**TOTAL:** \$49,097

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 1,506 square feet of living area. The dwelling was constructed in 2001. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 453 square foot garage. The property has a 5,093 square foot site and is located in Monee, Monee Township, Will County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted a grid analysis of five comparable sales located from .01 to .89 of a mile of the subject property. The comparables consist of two-story dwellings ranging in size from 1,416 to 1,622 square feet of living area that were built from 1997 to 2007. The comparables feature a full basement, central air conditioning and a garage ranging in size from 179 to 483 square feet of building area. One comparable has a fireplace. The appellant did not disclose the site sizes of the comparables. The

comparables sold from February 2016 to December 2016 for prices ranging from \$76,000 to \$150,000 or from \$50.46 to \$92.48 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$49,907. The subject's assessment reflects a market value of \$149,781 or \$99.46 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Will County of 33.32% as determined by the Illinois Department of Revenue.

In response to the appeal, the board of review submitted a memorandum from the Monee Township Assessor along with additional data. The assessor contends the appellant's comparable sales #1, #2 and #4 were special warranty deeds or a sheriff's deed. The board of review submitted a copy of the Sheriff's deed for comparable sale #1 and a copy of the PTAX-203 Illinois Real Estate Transfer Declaration associated with comparables #2 and #4 that disclosed each comparable was a Bank REO (real estate owned) and advertised for sale.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales. The comparable sales consist of a part two-story and part one-story and three, two-story dwellings of frame exterior construction ranging in size from 1,390 to 1,766 square feet of living area. The dwellings were built from 1999 to 2003. Each comparable has an unfinished basement,<sup>1</sup> central air conditioning and a garage ranging in size from 400 to 514 square feet of building area. In addition, two comparables each have a fireplace. The comparables have sites ranging in size from 5,329 to 11,792 square feet of land area. The comparables sold from March 2015 to September 2016 for prices ranging from \$154,000 to \$189,000 or from \$101.87 to \$114.27 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation as the basis of the appeal. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof.

The record contains nine comparable sales for the Board's consideration. The Board gave less weight to board of review comparable sale #2 as it sold in 2015 which is dated and less likely to be reflective of market value as of the January 1, 2017 assessment date.

The Board finds the five appellant's comparables along with comparables #1, #3 and #4 submitted by the board of review are similar to the subject in location, dwelling size, design, age and features. These comparables sold from February 2016 to December 2016 for prices ranging

from \$76,000 to \$189,000 or from \$50.46 to \$114.27 per square foot of living area, including land. The subject's assessment reflects an estimated market value of \$149,781 or \$99.46 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Therefore, no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
