

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Viktoriya Barats
DOCKET NO.: 17-01617.001-R-1
PARCEL NO.: 07-30-102-015

The parties of record before the Property Tax Appeal Board are Viktoriya Barats, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,652
IMPR.: \$64,588
TOTAL: \$79,240

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part two-story and a part three-story townhome of wood siding exterior construction with 2,372 square feet of living area. The dwelling was constructed in 2006. Features of the home include a crawl space and concrete slab foundation, central air conditioning and a 420 square foot garage. The property has a 2,128 square foot site and is located in Grayslake, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within .10 of a mile of the subject. The comparables are described as part two-story and part three-story townhomes of wood siding exterior construction with 2,372 or 2,394 square feet of living area. The dwellings were constructed from 2004 to 2006 on sites ranging in size from 1,568 to 2,470 square feet of land area. Features of the each comparable include a part concrete slab and a part crawl space

foundation, central air conditioning and a 420 square foot garage. The appellant also submitted Multiple Listing Service (MLS) sheets associated with the sales of comparables #1 and #6. The comparables sold from December 2015 to March 2017 for prices ranging from \$216,000 to \$260,000 or from \$91.06 to \$109.61 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$79,240. The subject's assessment reflects a market value of \$239,035 or \$100.77 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on four comparable sales located within .123 of a mile of the subject.¹ The comparables are described as part two-story and part three-story townhomes of wood siding exterior construction containing 2,372 square feet of living area each. The dwellings were constructed from 2004 to 2008 on sites ranging in size from 1,820 to 2,470 square feet of land area. Each comparable has a part concrete slab and a part crawl space foundation, central air conditioning and a 420 square foot garage. Two comparables have one fireplace each. The comparables sold from December 2015 to July 2017 for prices ranging from \$260,000 to \$280,500 or from \$109.61 to \$118.25 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted nine comparable sales to support their respective positions, with one comparable common to both parties. The Board gave less weight to the parties' common comparable as it sold in 2015 which is less proximate in time to the January 1, 2017 assessment date and less likely to be reflective of market value. The Board finds the best evidence of the subject's market value to be the remaining comparables in the record. These comparables are similar to the subject in location, dwelling size, design, age and features. They sold from June 2016 to July 2017 for prices ranging from \$216,000 to \$280,500 or from \$91.06 to \$118.25 per square foot of living area, including land. The subject's assessment reflects a market value of \$239,035 or \$100.77 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering any necessary adjustments to the comparables for differences, when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record, the Board finds the appellant failed to prove by a preponderance of the

evidence that the subject was overvalued. Therefore, a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
