

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Lewis
DOCKET NO.: 17-01634.001-R-1
PARCEL NO.: 21-14-13-414-030-0000

The parties of record before the Property Tax Appeal Board are Joseph Lewis, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Will County Board of Review** is warranted. The correct assessed valuation of the property is:

LAND: \$6,539
IMPR.: \$31,391
TOTAL: \$37,930

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part two story and part one-story dwelling of frame exterior construction with 2,553 square feet of living area. The dwelling was constructed in 2002. Features of the home include a full finished basement, central air conditioning, a fireplace and a two-car garage with 540 square feet of building area. The property has a 7,332 square foot site and is located in University Park, Monee Township, Will County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on June 16, 2015 for a price of \$103,185. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor and the property had been advertised on the open market with the Multiple Listing Service. The listing also depicted the property had been on the market for 107 days. Also, this property was sold in

settlement of a foreclosure. In further support of the transaction the appellant submitted a copy of the Settlement Statement reiterating the purchase date and price; a copy of the Multiple Listing Service data sheet depicting a listing date of October 16, 2014 with an asking price of \$116,900. The property was described as being in disrepair and sold "as is" along with missing basement copper lines. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$37,930. The subject's assessment reflects a market value of \$113,836 or \$44.59 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Will County of 33.32% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the township assessor through the board of review prepared a grid analysis of four comparable sales located in the same neighborhood as the subject property. The comparables consist of a part two-story and part one-story dwellings of frame construction. The dwellings were built from 2000 to 2003. The homes range in size from 1,771 to 2,391 square feet of living area and had sites ranging in size from 5,850 to 8,156 square feet of land area. Each comparable has an unfinished basement, central air conditioning, three comparables have a fireplace and each comparable has a two-car garage ranging in size from 434 to 586 square feet of building area. These properties sold between November 2016 and December 2017 for prices ranging from \$152,000 to \$172,500 or from \$66.08 to \$97.40 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

As to the purchase price of the subject property that occurred in June 2015 for \$103,185, the Property Tax Appeal Board has given little weight to this sale which was 18 months prior to the assessment date at issue of January 1, 2017 and therefore is found to be remote in time and less likely to be indicative of the subject's market value as of the assessment date.

The Board finds the best evidence of market value in the record to be the board of review's comparable sales #2 and #3. These comparables were similar to the subject in location, dwelling size, style, construction, features, age and land area. These properties also sold proximate in time to the assessment date at issue. The comparables sold for prices of \$152,000 and \$158,000 or \$66.40 to \$66.08 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$113,836 or \$44.59 per square foot of living area, including land, which is far below the range established by the best comparable sales in this record. The Board gave less weight to the board of review's comparables #1 and #4 due to their

smaller dwelling size when compared to the subject. Based on this record the Board finds the subject's assessment is reflective of market value and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
