

**AMENDED
FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Mattea
DOCKET NO.: 17-01654.001-R-1
PARCEL NO.: 06-22-310-011

The parties of record before the Property Tax Appeal Board are David Mattea, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***no change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,674
IMPR.: \$94,170
TOTAL: \$112,844

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 3,258 square feet of living area. The dwelling was constructed in 1997. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 483 square foot garage. The property has a 10,125 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six comparable sales located in the same neighborhood and within .50 of a mile of the subject property. The comparables have sites ranging in size from 7,910 to 11,820 square feet of land area. Each comparable consists of a two-story dwelling of vinyl siding exterior construction ranging in size from 2,732 to 3,108 square feet of living area.

The dwellings were constructed from 1993 to 1997. Each comparable features a basement, with three having finished area. The comparables each have central air conditioning and a garage ranging in size from 484 to 663 square feet of building area. Additionally, five comparables have one or two fireplaces. The comparables sold from February 2016 to January 2017 for prices ranging from \$240,000 to \$320,000 or from \$86.12 to \$102.96 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$112,844. The subject's assessment reflects a market value of \$340,404 or \$104.48 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located in the same neighborhood and within .334 of a mile of the subject property. Board of review comparables #2 and #3 are the same properties as the appellant's comparables #6 and #5, respectively. The comparables consist of two-story dwellings of vinyl siding exterior construction ranging in size from 3,060 to 3,258 square feet of living area. The dwellings were constructed in either 1996 or 1997. Each comparable features a basement with two having finished area. The comparables each have central air conditioning and a garage ranging in size from 483 to 663 square feet of building area. In addition, three comparables each have one fireplace. The comparables sold from April 2015 to February 2017 for prices ranging from \$295,000 to \$345,000 or from \$96.41 to \$105.89 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparable sales for the Board's consideration, including two properties that were submitted by both parties. The Board gave less weight to the appellant's comparables #1 through #4 due to their smaller dwelling sizes when compared to the subject. The Board finds board of review comparable #4 sold in 2015, which is dated and less likely to be indicative of the subject's market value as of the January 1, 2017 assessment date.

The Board finds the best evidence of market value to be the parties' two common comparables, along with board of review comparable #1. These three comparables are similar to the subject in location, dwelling size, design, age and features. They sold from July 2016 to February 2017 for prices ranging from \$305,000 to \$345,000 or from \$99.09 to \$105.89 per square foot of living area, land included. The subject's assessment reflects a market value of \$340,404 or \$104.48 per

square foot of living area, land included, which falls within the range established by the best comparable sales in this record. After considering any necessary adjustments to the comparables for differences when compared to the subject, the Board finds the estimated market value as reflected by the assessment appears to be supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
