

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jajish Vachali
DOCKET NO.: 17-01667.001-R-1
PARCEL NO.: 06-32-303-015

The parties of record before the Property Tax Appeal Board are Jajish Vachali, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,420
IMPR.: \$77,238
TOTAL: \$90,658

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 3,153 square feet of living area. The dwelling was constructed in 2006. Features of the home include a partial unfinished basement, central air conditioning, a fireplace and a 570 square foot garage. The property has a 10,276 square foot site and is located in Round Lake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within .49 of a mile of the subject. The comparables are described as two-story dwellings of vinyl siding exterior construction with 3,142 or 3,154 square feet of living area. The dwellings were constructed from 2003 to 2006 on sites ranging in size from 9,030 to 12,234 square feet of land area. Each comparable has a basement, with one having finished area; central air conditioning and a 528 or

a 599 square foot garage. Three comparables each have one fireplace. The appellant also submitted a Multiple Listing Service (MLS) sheet for comparable #3. The comparables sold from February 2016 to March 2017 for prices ranging from \$190,000 to \$267,450 or from \$60.47 to \$84.80 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$90,658. The subject's assessment reflects a market value of \$273,478 or \$86.74 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on six comparable sales located within .109 of a mile of the subject. The comparables are described as two-story dwellings of vinyl siding exterior construction ranging in size from 3,142 to 3,513 square feet of living area. The dwellings were constructed from 2004 to 2006 on sites ranging in size from 9,100 to 12,808 square feet of land area. Each comparable has an unfinished basement, central air conditioning, a fireplace and a garage ranging in size from 528 to 682 square feet of building area. The comparables sold from November 2014 to July 2017 for prices ranging from \$273,000 to \$310,000 or from \$80.40 to \$90.30 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted 11 comparable sales to support their respective positions. The Board gave less weight to the appellant's comparable #1 as it has finished basement area unlike the subject. The Board also gave less weight to board of review comparables #1 through #5 which have larger dwelling sizes when compared to the subject. In addition, comparable #4 did not sell proximate in time to the January 1, 2017 assessment date.

The Board finds the best evidence of the subject's market value to be the appellant's comparables #2 through #5 along with board of review comparable #6. These comparables are most similar to the subject in location, dwelling size, design, age and features. They sold from February 2016 to July 2017 for prices ranging from \$210,000 to \$278,000 or from \$66.84 to \$88.48 per square foot of living area, including land. The subject's assessment reflects a market value of \$273,478 or \$86.74 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering any necessary adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this

record, the Board finds the appellant failed to prove by a preponderance of the evidence that the subject was overvalued. Therefore, a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
