

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Schultz
DOCKET NO.: 17-01673.001-R-1
PARCEL NO.: 06-26-313-012

The parties of record before the Property Tax Appeal Board are Mike Schultz, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,750
IMPR.: \$64,724
TOTAL: \$85,474

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction that has 1,926 square feet of living area. The dwelling was built in 1900 and was reported to have an effective age of 1933. The home features a partial unfinished basement, three bathrooms, central air conditioning, a fireplace and a 672 square foot detached garage. The subject property has a 12,632 square foot site. The subject property is located in Avon Township, Lake County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of this argument, the appellant submitted three comparable sales located within .40 of a mile from the subject. The comparables consist of two-story dwellings of vinyl siding exterior construction that were built in 1900 or 1933 with effective ages ranging from 1934 to 1969. Appellant submitted an MLS sheet indicating comparable #3 was “rebuilt” in 2010. Two comparables have partial unfinished basements and one comparable has

a crawl space foundation. The comparables have one or two bathrooms and two comparables have a detached garage that have 336 and 360 square feet of building area, respectively. The dwellings range in size from 1,566 to 1,936 square feet of living area and are situated on sites that contain from 5,663 to 14,323 square feet of land area. The comparables sold from November 2015 to May 2017 for prices ranging from \$120,000 to \$212,000 or from \$76.63 to \$109.50 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's final assessment of \$85,474. The subject's assessment reflects an estimated market value of \$257,840 or \$133.87 per square foot of living area including land when applying the 2017 three-year average median level of assessment for Lake County of 33.15%.

In support of the subject's assessment, the board of review submitted three comparable sales located within .399 of a mile from the subject. The comparables consist of one and one-half or two-story dwellings of vinyl siding exterior construction that were built from 1885 to 1925. The comparables have partial finished basements; 1.5 or 2.5 bathrooms; two comparables have central air conditioning; two comparables have a fireplace; and each comparable has a garage that range in size from 360 to 494 square feet of building area. The dwellings range in size from 1,643 to 2,202 square feet of living area and are situated on sites that contain from 10,019 to 17,424 square feet of land area. The comparables sold from March 2014 to June 2017 for prices ranging from \$305,000 to \$363,000 or from \$164.85 to \$194.16 per square foot of living area including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant failed to meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted six comparable sales for the Board's consideration. The Board finds neither of the parties' comparables are particularly similar when compared to the subject due to differences in land area, age, effective age, design, dwelling size and many features. In addition, three comparables did not sell proximate in time relative to the subject's January 1, 2017 assessment date. Nonetheless, both parties comparables sold from March 2014 to June 2017 for wide ranging prices from \$120,000 to \$363,000 or from \$76.63 to \$194.16 per square foot of living area including land. The subject's assessment reflects an estimated market value of \$257,840 or \$133.87 per square foot of living area including land, which falls within the range established by both parties' comparable sales. After considering the multitude of both positive and negative adjustments to the comparables for differences when compared to the subject for date of sale, land area, design, age, effective age, dwelling size, foundation type and features, the Board finds the subject's estimated market value as reflected by its assessment is supported. Therefore, no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
