

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Emil Moukhtar
DOCKET NO.: 17-01689.001-R-1
PARCEL NO.: 06-21-420-013

The parties of record before the Property Tax Appeal Board are Emil Moukhtar, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,852
IMPR.: \$43,476
TOTAL: \$58,328

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 1,692 square feet of living area. The dwelling was constructed in 1993. Features of the home include a finished basement, central air conditioning, a fireplace and a 420 square foot attached garage. The property has a 3,758 square foot site and is located in Round Lake Park, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.06 of a mile from the subject property. The comparables have sites that range in size from 3,758 to 5,283 square feet of land area and are improved with two-story dwellings of vinyl siding exterior construction that have 1,692 square feet of living area. The homes were built in 1994. Each comparable has a basement, one with finished area, central air conditioning, one fireplace and a 420 square foot

garage. The comparables sold from May 2016 to April 2017 for prices ranging from \$139,900 to \$178,000 or from \$82.68 to \$105.20 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's assessment be reduced to \$52,447.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$58,328. The subject's assessment reflects a market value of \$175,952 or \$103.99 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within approximately 0.02 of a mile from the subject property. The comparables have sites that range in size from 4,118 to 5,135 square feet of land area and are improved with two-story dwellings of vinyl siding exterior construction that range in size from 1,734 to 1,903 square feet of living area. The homes were built in 1994 or 1995. Each comparable has a basement, one with finished area, central air conditioning, one fireplace and a garage with 420 or 462 square feet of building area. The comparables sold from April 2015 to August 2016 for prices ranging from 192,500 to \$212,000 or from \$105.10 to \$120.94 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparables for the Board's consideration. The Board gave little weight to the appellant's comparable #1 which appears to be an outlier based on sale prices of other comparables in the record. The Board gave less weight to board of review comparable #2 which has larger basement area when compared to the subject and comparable #4 which sold in 2015 and is too remote in time to be indicative of the subject's market value as of the January 1, 2017 assessment date. The Board finds the best evidence of market value to be appellant's comparables #2, #3 and #4 along with board of review comparables #1 and #3 which are more similar in location, design, age, dwelling size, basement size and most features. These most similar comparables sold from May 2016 to April 2017 for prices ranging from \$155,000 to \$200,000 or from \$91.61 to \$114.76 per square foot of living area, including land. The subject's assessment reflects a market value of \$175,952 or \$103.99 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering any necessary adjustments to the comparables for differences with the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
