

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pamela Vukovics
DOCKET NO.: 17-01697.001-R-1
PARCEL NO.: 06-34-206-019

The parties of record before the Property Tax Appeal Board are Pamela Vukovics, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,114
IMPR.: \$53,122
TOTAL: \$72,236

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of vinyl siding exterior construction with 1,493 square feet of living area. The dwelling was constructed in 1979. Features of the home include an unfinished basement, central air conditioning, one fireplace and a 624 square foot garage. The property has a 10,454 square foot site and is located in Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparables located from .62 of a mile to 1.32 miles from the subject. The comparables are described as 1-story dwellings of vinyl siding or brick exterior construction ranging in size from 1,120 to 1,480 square feet of living area. The dwellings were constructed from 1957 to 1976. Comparables #1 and #2 have effective ages of 1970 and 1973, respectively. The comparables have basements, with three having finished area;

four comparables have central air conditioning; one comparable has a fireplace and each comparable has a garage ranging in size from 308 to 550 square feet of building area. The comparables are situated on sites ranging in size from 6,970 to 15,682 square feet of land area. The comparables sold from April 2016 to February 2017 for prices ranging from \$140,000 to \$197,000 or from \$102.64 to \$151.79 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$72,747. The subject's assessment reflects a market value of \$219,448 or \$146.98 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue. The board of review disclosed that 2015 was the beginning of the general assessment period.

In support of the subject's assessment, the board of review submitted information on four comparable sales located from .634 of a mile to 1.064 miles from the subject. The comparables are described as one-story dwellings of vinyl siding or brick exterior construction ranging in size from 1,120 to 1,189 square feet of living area. The dwellings were constructed from 1959 to 1973. The comparables have basements, with three having finished area; three comparables have central air conditioning; and each comparable has a garage with either 300 or 440 square feet of building area. The comparables are situated on sites ranging in size from 6,970 to 10,500 square feet of land area. The comparables sold from August 2015 to August 2017 for prices ranging from \$170,000 and \$199,000 or from \$148.02 to \$167.51 per square foot of living area, including land. Board of review comparables #2 and #3 were also submitted by the appellant as comparables #3 and #2, respectively. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

Conclusion of Law

The Property Tax Appeal Board takes notice that the subject property was the matter of an appeal before the Board for the 2016 tax year under Docket Number 16-03930.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$66,681 based on the evidence submitted by the parties for tax year 2016. The Property Tax Appeal Board finds that Lake County's general assessment period began in the 2015 tax year and runs through the 2018 tax year. The Lake County board of review disclosed that for the 2017 tax year, a township equalization factor of 1.0833 was applied in Avon Township. The Board finds Section 16-185 of the Property Tax Code controls in this matter.

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the

Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The Board finds in this record that the subject property is an owner-occupied residence and the 2015 through 2018 tax years are in the same general assessment period. An equalization factor of 1.0833 for the tax year 2017 was applied in Avon Township. The Board further finds that the prior year's 2016 assessment as established by the decision of the Property Tax Appeal Board of \$66,681 should be carried forward subject only to any equalization factor applied to that year's assessment. Furthermore, the 2016 decision of the Property Tax Appeal Board was not reversed or modified upon review and there was no evidence the property sold establishing a different fair cash value. Applying section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's prior 2016 decision, results in an assessment of \$72,236 ($\$66,681 \times 1.0833 = \$72,236$). The subject's 2017 assessment is \$72,747 which is greater than required by the statutory provisions of section 16-185 of the Property Tax Code, thus the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
