

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joshua & Elizabeth Owolabi
DOCKET NO.: 17-01755.001-R-1
PARCEL NO.: 11-18-205-011

The parties of record before the Property Tax Appeal Board are Joshua & Elizabeth Owolabi, the appellants, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***no change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$48,247
IMPR.: \$147,660
TOTAL: \$195,907

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,337 square feet of living area. The dwelling was constructed in 1999. Features of the home include a basement, central air conditioning, a fireplace and a 462 square foot garage. The property has a 10,483 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument, the appellants submitted information on five comparable sales located within .28 of a mile from the subject. The comparable parcels range in size from 9,942 to 11,003 square feet of land area and have each been improved with a two-story dwelling of wood siding exterior construction that was built in 1998 or 1999. The homes range in size from 2,772 to 3,923 square feet of living area. Each home has a basement, one of which is reportedly finished, central air conditioning, a

fireplace and a garage of either 440 or 461 square feet of building area. The comparables sold from June 2016 to July 2017 for prices ranging from \$450,000 to \$640,000 or from \$147.21 to \$176.62 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced total assessment of \$181,292 which would reflect a market value of \$543,930 or \$163.00 per square foot of living area, including land, at the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$195,907. The subject's assessment reflects a market value of \$590,971 or \$177.10 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on eight comparable sales located within .327 of a mile from the subject. Board of review comparables #5, #6 and #8 are the same properties as appellants' comparables #4, #2 and #3, respectively. These eight board of review comparables consist of parcels that range in size from 10,000 to 15,396 square feet of land area and have each been improved with a two-story dwelling of wood siding exterior construction that was built from 1998 to 2000. The homes range in size from 2,772 to 3,923 square feet of living area. Each home has a basement, central air conditioning, a fireplace and a garage ranging in size from 441 to 736 square feet of building area. The comparables sold from September 2015 to December 2017 for prices ranging from \$450,000 to \$657,900 or from \$149.79 to \$197.04 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten comparable sales, with three common properties, to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to board of review comparables #2 and #3 due to differences in land size, garage size and/or date of sale when compared to the subject property and the valuation date at issue of January 1, 2017.

The Board finds the best evidence of market value to be the appellants' comparable sales along with board of review comparable sales #1 and #4 through #8, where there are three common properties presented. The comparables were each similar to the subject in lot size, design, age, dwelling size, foundation and most features. These most similar comparables sold between June 2016 and December 2017 for prices ranging from \$450,000 to \$640,000 or from \$147.21 to \$189.75 per square foot of living area, including land. The subject's assessment reflects a market value of \$590,971 or \$177.10 per square foot of living area, including land, which is within the

range established by the best comparable sales in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
