

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Adolfo Munoz
DOCKET NO.: 17-01767.001-R-1
PARCEL NO.: 11-11-304-007

The parties of record before the Property Tax Appeal Board are Adolfo Munoz, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$67,451
IMPR.: \$107,486
TOTAL: \$174,937

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story wood-sided dwelling containing 2,502 square feet of living area. The dwelling was constructed in 1979. Features of the home include an unfinished basement, central air conditioning, a fireplace and a garage containing 572 square feet of building area. The property has a 40,229 square foot site located in Green Oaks, Libertyville Township, Lake County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of the overvaluation claim, the appellant submitted a grid analysis of three comparable sales located from 0.71 of a mile to 1.61 miles from the subject property. The comparables consist of one-story brick or wood-sided dwellings ranging in size from 2,380 to 2,790 square feet of living area. The comparables were built between 1984 and 2001. The comparables feature unfinished basements, central air conditioning, one fireplace

each, and garages that range in size from 625 to 910 square feet of building area. The comparables have sites that range in size from 40,215 to 80,336 square feet of land area. The appellant reported the comparables sold from March 2015 to July 2016 for prices ranging from \$430,000 to \$530,000 or from \$156.99 to \$222.69 per square foot of living area including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment to \$163,657, which reflects a market value of approximately \$491,020 or \$196.25 per square foot of living area, including land, at the statutory level of assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$174,937. The subject's assessment reflects a market value of \$527,713 or \$210.92 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on seven sales comparables. Board of review comparable #6 is the same property as appellant's comparable #3. The comparables consist of one or two-story brick or wood-sided dwellings located within 0.71 of a mile from the subject property. The dwellings were built from 1977 to 2001 and range in size from 2,380 to 2,823 square feet of living area. The comparables feature unfinished basements, central air conditioning, one or two fireplaces each and garages that range in size from 420 to 731 square feet of building area. The comparables sold from July 2015 to November 2017 for prices ranging from \$453,000 to \$658,000 or from \$174.23 to \$244.32 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contended the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof.

The record contains nine comparable properties for the Board's consideration with one common property presented by both parties. The Board gives less weight to the appellant's comparables #1 and #2 as well as board of review comparables #1 through #4 and #7 based on their dissimilar styles, larger lot size, distance from the subject and/or sale dates not as proximate in time to the assessment date at issue as other sales in the record. Despite board of review comparable #6 being somewhat newer than the subject, the Board gives more weight to appellant's comparable #3 and board of review comparables #5 and #6. These comparables are most similar to the subject in style, dwelling size, site size, location and most features. They sold proximate in time to the subject's assessment date for \$520,000 or \$530,000 or for \$201.86 or \$222.69 per square foot of living area, including land. The subject's assessment reflects an estimated market value of \$527,713 or \$210.92 per square foot of living area including land, which appears to be supported by the best comparable sales in the record. Therefore, no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
