

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Parker
DOCKET NO.: 17-01852.001-R-1
PARCEL NO.: 11-28-208-013

The parties of record before the Property Tax Appeal Board are James Parker, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$53,978
IMPR.: \$111,242
TOTAL: \$165,220

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,536 square feet of living area. The dwelling was constructed in 1978. Features of the home include a full unfinished basement, central air conditioning, two fireplaces and a 517 square foot garage. The property has an 11,599 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on nine comparable sales with varying degrees of similarities to the subject in location, design, age, dwelling size and features. The comparables sold from February 2016 to May 2017 for prices ranging from \$393,500 to \$505,000 or from \$164.92 to \$198.70 per square foot of living area, including land. Based on the comparable sales evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$165,983. The subject's assessment reflects a market value of \$500,703 or \$197.44 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In response to appeal, the board of review argued the Property Tax Appeal Board's issued a decision pertaining to the subject property for the prior 2016 tax year under Docket Number 16-03696.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision based on an agreement between the parties lowering the subject's assessment to \$156,651. The board of review argued the current 2017 appeal is entitled to a "rollover" of the prior decision plus application of the township multiplier of 1.0547. As a result, the Lake County Board of Review requested the Property Tax Appeal Board issue a decision in the amount of \$165,220, which is less than the subject's current assessment of \$165,983, as provided by section 16-185 of the Property Tax Code. (35 ILCS 200/16-185).

The board of review also submitted information on four comparable sales, one of which was utilized by the appellant. Board of review comparable #3 and the appellant's comparable #9 are the same property. The comparables have varying degrees of similarity when compared to the subject in location, design, age, dwelling size and features. The comparables sold from June 2016 to June 2017 for prices ranging from \$437,500 to \$494,000 or from \$194.41 to \$201.18 per square foot of living area including land. The board of review proposed to reduce the subject's assessment to \$165,220 in conformance of section 16-185 of the Property Tax Code.

Counsel for the appellant declined the proposed stipulation and requested the Property Tax Appeal Board rule on the evidence that was originally submitted.

Conclusion of Law

The Property Tax Appeal Board finds the subject property was the matter of an appeal before this Board the prior tax year under Docket Numbers 16-03696.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$156,651 based on an agreement by the parties. The Property Tax Appeal Board takes notice that Lake County's quadrennial general assessment period began in the 2015 tax year and continues through the 2018 tax year. The Board further finds section 16-185 of the Property Tax Code is controlling in this appeal. (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the

Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185)

The Board finds this record disclosed the subject property is an owner-occupied residence and the 2016 and 2017 tax years are within the same general assessment period. The Board finds the record shows a 1.0547 equalization factor was issued in Libertyville Township for the 2017 tax year. The record contains no evidence showing the Board's 2016 decision was reversed or modified upon review and there was no evidence the subject property sold in an arm's-length transaction establishing a different fair cash value. Applying section 16-185 of the Property Tax Code (35 ILCS 200/16-185) to the Board's prior 2016 decision results in an assessment of \$165,220 ($\$156,651 \times 1.0547 = \$165,220$), which is less than the subject's final 2017 assessment of \$165,983 as established by the board of review. Considering the statutory mandates of section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's finding plus the application of the equalization factor of 1.0547.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
