

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Farid Fahmy  
DOCKET NO.: 17-01876.001-R-1  
PARCEL NO.: 11-32-214-005

The parties of record before the Property Tax Appeal Board are Farid Fahmy, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$54,588  
**IMPR.:** \$165,245  
**TOTAL:** \$219,833

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 4,084 square feet of living area. The dwelling was constructed in 1998. Features of the home include a full unfinished basement, central air conditioning, one fireplace and a 599 square foot attached garage. The property has a 13,822 square foot site and is located in Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within .97 of a mile of the subject. The comparables are described as two-story dwellings of wood siding or brick exterior construction ranging in size from 3,496 to 4,377 square feet of living area. The dwellings were constructed from 1997 to 2003 and have sites ranging in size from 9,942 to 18,665 square feet of land area. The comparables each have a full unfinished basement, central air conditioning and a

garage ranging in size from 484 to 708 square feet of building area. Five comparables each have one fireplace. The comparables sold from February 2016 to June 2017 for prices ranging from \$510,000 to \$665,000 or from \$126.23 to \$162.43 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$219,833. The subject's assessment reflects a market value of \$663,146 or \$162.38 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted information on three comparable sales located within .883 of a mile of the subject. The comparables are described as two-story dwellings of wood siding or brick exterior construction ranging in size from 3,560 to 3,743 square feet of living area. The dwellings were constructed from 1998 to 2002 and have sites ranging in size from 12,313 to 17,858 square feet of land area. Each comparable has a full unfinished basement, central air conditioning and a garage ranging in size from 643 to 708 square feet of building area. Two comparables each have a fireplace. The comparables sold from September 2016 to August 2017 for prices ranging from \$575,000 to \$641,000 or from \$161.52 to \$171.25 per square foot of living area, including land. Based on this evidence, the board of review requested that the subject property's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted nine comparable sales to support their respective positions. The Board gave less weight to the appellant's comparable #5 and the board of review comparables #2 and #3 due to their smaller dwelling sizes when compared to the subject.

The Board finds the best evidence of the subject's market value to be the parties' remaining comparables. These comparables are similar to the subject in location, dwelling size, design, age and features. They sold from February 2016 to August 2017 for prices ranging from \$510,000 to \$665,000 or from \$126.23 to \$171.25 per square foot of living area, including land. The subject's assessment reflects a market value of \$663,146 or \$162.38 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this record, the Board finds the appellant failed to prove by a preponderance of the evidence that the subject was overvalued. Therefore, a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
