

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pam Goldberg
DOCKET NO.: 17-01908.001-R-1
PARCEL NO.: 11-32-104-042

The parties of record before the Property Tax Appeal Board are Pam Goldberg, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 43,671
IMPR.: \$137,978
TOTAL: \$181,649

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-180 of the Property Tax Code (35 ILCS 200/16-180) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,293 square feet of living area. The dwelling was constructed in 1999. Features of the home include a full unfinished basement, central air conditioning, a fireplace and an attached 649 square foot garage. The property has a 9,996 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant through legal counsel submitted three comparable sales located from .02 of a mile to 1.30-miles from the subject property. The comparables were similar to the subject dwelling in story height, exterior construction, age, dwelling size, foundation and most features. The comparables sold from March to July 2016 for prices ranging from \$455,000 to \$531,000 or from \$147.09 to \$165.64 per square foot of living area, including land.

Based on this evidence and argument, the appellant requested a reduced total assessment of \$163,262 which would reflect a market value of \$489,835 at the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$181,648. The subject's assessment reflects a market value of \$547,958 or \$166.40 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In a responsive letter to the appeal, the board of review asserted the subject property was an owner-occupied dwelling that was the subject matter of an appeal before the Property Tax Appeal Board for the 2016 tax year under Docket Number 16-03713.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision reducing the subject's assessment to \$172,228 based upon the stipulation of the parties. The board of review further explained that the township's general assessment period began in 2015 and runs through tax year 2018. It further indicated that in tax year 2017 Libertyville Township applied an equalization factor of 1.0547 to all non-farm properties in the township. Therefore, the board of review depicted that the 2016 assessment of \$172,228 was increased for tax year 2017 by the 1.0547 factor to a total assessment of \$181,649 ($172,228 \times 1.0547$) in accordance with Section 16-185 of the Property Tax Code (35 ILCS 200/16-185). As the subject's assessment 2017 total assessment is \$181,649, the board of review asserted that the subject's assessment should be confirmed.

In addition, the board of review presented three comparable sales located within 1.16-miles from the subject property. The comparables consist of two-story dwellings of brick exterior construction which were built in 1998 or 2001. The homes range in size from 2,734 to 3,172 square feet of living area. Each dwelling has an unfinished basement and two of the comparables have both central air conditioning and a fireplace. Each comparable has a garage ranging in size from 620 to 688 square feet of building area. The comparables sold in June or July 2017 for prices ranging from \$507,500 to \$550,000 or from \$168.66 to \$200.29 per square foot of living area, including land.

Based upon the foregoing evidence and argument, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

As part of its submission, the Lake County Board of Review argued that the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board for tax year 2016. The board of review further indicated that 2015 was the beginning of the general assessment cycle for the subject property which runs through tax year 2018. Therefore, in accordance with provisions of the Property Tax Code, the assessment of the subject property is to be carried forward from tax year 2016 with the application of equalization factors to tax year 2018 which may be applied within the jurisdiction.

Pursuant to Section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's 2016 decision should be carried forward to the subsequent 2017 tax year subject only to equalization applied for 2017.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2016 assessment in Docket No. 16-03713.001-R-1. The record further indicates that the subject property is an owner-occupied dwelling and that 2016 and 2017 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision for tax year 2016 or that the assessment year in question is in a different general assessment period. The board of review submitted Notes on Appeal reporting that the subject's total assessment for 2017 was \$181,648 which as set forth in the letter presented by the board of review reflected the 2016 decision of the Property Tax Appeal Board with the applicable equalization factor for tax year 2017 applied.

For these reasons, the Property Tax Appeal Board finds that a reduction in the subject's assessment is not warranted as the board of review decision for tax year 2017 properly reflects the Property Tax Appeal Board's prior year's decision plus the application of the equalization factors for 2017 of 1.0547. In conclusion, the Board finds no change in the subject's assessment is warranted in accordance with Section 16-185 of the Property Tax Code.

Furthermore, the Board finds that the six recent comparable sales submitted by the parties supports the estimated market value of the subject property for tax year 2017 of \$166.40 per square foot of living area, including land, as reflected by its assessment.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
