

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Aijun Chen
DOCKET NO.: 17-01913.001-R-1
PARCEL NO.: 11-29-207-014

The parties of record before the Property Tax Appeal Board are Aijun Chen, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$54,588
IMPR.: \$142,232
TOTAL: \$196,820

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,386 square feet of living area. The dwelling was constructed in 2001. Features of the home include a full basement, central air conditioning, a fireplace and a three-car garage with 623 square feet of building area. The property has a 10,004 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on eight comparable sales located within 1.22 miles and in the same neighborhood code as assigned by the township assessor as the subject property. The comparables were improved with two-story dwellings of brick or wood siding exterior construction that ranged in size from 3,234 to 3,743 square feet of living area. The comparables have site sizes ranging from 10,012 to 17,822 square feet of land area. The dwellings were

constructed from 1998 to 2003. Each comparable has a basement, central air conditioning, seven comparables have one fireplace and each comparable has a garage ranging in size from 598 to 696 square feet of building area. The comparables sold from June 2016 to June 2017 for prices ranging from \$510,000 to \$612,500 or from \$136.25 to \$178.81 per square foot of living area, land included. Based on this evidence, the appellant requested that the assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$196,820. The subject's assessment reflects a market value of \$593,725 or \$175.35 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within .887 of a mile from the subject property. The comparables were improved with two-story dwellings with wood siding or brick exterior construction that ranged in size from 3,088 to 3,486 square feet of living area. The comparables have site sizes ranging from 11,085 to 12,434 square feet of land area. The dwellings were constructed from 1999 to 2002. Each comparable has a basement, central air conditioning, one or three fireplaces and a garage ranging in size from 532 to 648 square feet of building area. The comparables sold from May 2016 to May 2017 for prices of \$547,000 or \$616,000 or from \$176.71 to \$190.12 per square foot of living area, land included. Based on this evidence, the board of review requested that the assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 11 comparable sales for the Board's consideration. The Board gave less weight to the appellant's comparables #4 and #5 based on their location being over 1 mile from the subject property. The Board gave less weight to the appellant's comparable #2 due to its larger site size when compared to the subject.

The Board finds the best evidence of market value to be the remaining comparables. The Board finds that these comparables are similar to the subject in location, land size, dwelling size, age and features. These most similar comparables sold for prices ranging from \$510,000 to \$616,000 or from \$136.25 to \$190.12 per square foot of living area, including land. The subject's assessment reflects a market value of \$593,725 or \$175.35 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. After considering adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
