

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Duffy
DOCKET NO.: 17-01915.001-R-1
PARCEL NO.: 11-29-102-011

The parties of record before the Property Tax Appeal Board are Michael Duffy, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 22,111
IMPR.: \$122,711
TOTAL: \$144,822

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 3,633 square feet of living area. The dwelling was constructed in 1980 with an effective age of 1985. Features of the home include a partial unfinished basement, central air conditioning, a fireplace and an attached 431 square foot garage. The property has a 13,030 square foot site and is located in Mundelein, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within .46 of a mile from the subject. The appellant also reported that each of the comparables are located in Mundelein, are each within 20% of the dwelling size of the subject and are each within the Mundelein High School district. The comparables consist of two-story dwellings of wood siding exterior construction that were built in 1995 or 1996. The homes contain either 3,016 or 3,017 square

feet of living area and feature full unfinished basements, central air conditioning, a fireplace and a 559 square foot garage. The comparables sold between August 2015 and November 2016 for prices ranging from \$310,000 to \$389,000 or from \$102.75 to \$128.98 per square foot of living area, including land.

Based on this evidence, the appellant requested a total assessment that would reflect a market value of \$390,549 or \$107.50 per square foot of living area, including land, at the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$144,822. The subject's assessment reflects a market value of \$436,869 or \$120.25 per square foot of living area, land included, when using the 2017 three year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within .2 of a mile from the subject. The comparables consist of two-story dwellings of brick or wood siding exterior construction that were built between 1980 and 1985. The homes range in size from 2,186 to 2,678 square feet of living area and feature unfinished basements, central air conditioning, a fireplace and a garage ranging in size from 410 to 431 square feet of building area. The comparables sold between April and August 2017 for prices ranging from \$349,000 to \$355,000 or from \$132.56 to \$160.11 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables #1, #2 and #3 as each of these properties sold in 2015, dates less proximate in time to the valuation date at issue and less likely to be indicative of the subject's estimated market value as of the assessment date of January 1, 2017.

The Board finds the best evidence of market value to be appellant's comparable sales #4, #5 and #6 along with the board of review comparable sales. These comparables have varying degrees of similarity to the subject dwelling with the subject being larger at 3,633 square feet of living area. These most similar comparables sold between June 2016 and August 2017 for prices ranging from \$333,000 to \$389,000 or from \$110.41 to \$160.11 per square foot of living area, including land. The subject's assessment reflects a market value of \$436,869 or \$120.25 per square foot of

living area, including land, which is within the range established by the best comparable sales in this record and appears to be supported when giving due consideration to differences in age and/or dwelling size between the comparables and the subject. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
