

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeff Chandler
DOCKET NO.: 17-02024.001-R-1
PARCEL NO.: 08-21-116-017

The parties of record before the Property Tax Appeal Board are Jeff Chandler, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,449
IMPR.: \$21,690
TOTAL: \$26,139

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 1,426 square feet of living area. The dwelling was constructed in 1910. Features of the home include a full unfinished basement and a 216 square foot garage. The property has a 4,673 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located in the same neighborhood as the subject property. The comparables have sites ranging in size from 4,372 to 10,131 square feet of land area and are improved with two-story dwellings of asbestos or wood siding exterior construction that range in size from 1,392 to 1,728 square feet of living area. The dwellings were constructed in either 1901 or 1903. Each comparable features an unfinished basement, one comparable has a fireplace and four comparables each have a garage ranging in size from 216 to

480 square feet of building area. The comparables sold from May 2016 to March 2017 for prices ranging from \$65,000 to \$89,900 or from \$43.98 to \$55.91 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,139. The subject's assessment reflects a market value of \$78,851 or \$55.30 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on six comparable sales located in the same neighborhood as the subject property with two comparables being utilized by the appellant. Board of review comparables #1 and #3 are the same properties as the appellant's comparables #5 and #3, respectively. The comparables have sites ranging in size from 4,439 to 10,131 square feet of land area. The comparables are improved with one, one and one-half story dwelling and five, two-story dwellings of asbestos, aluminum or wood siding exterior construction ranging in size from 1,404 to 1,608 square feet of living area. The dwellings were constructed from 1901 to 1910. Each comparable features an unfinished basement, one comparable has a fireplace and four comparables each have a garage ranging in size from 216 or 480 square feet of building area. The comparables sold from May 2016 to November 2017 for prices ranging from \$75,500 to \$130,000 or from \$48.84 to \$82.17 per square foot of living area, including land. The board of review provided property record cards of the subject and the comparables. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted seven comparable sales for the Board's consideration with two comparables being utilized by both parties. The Board gave less weight to the appellant's comparable sales #1, #3 and #5, which includes the two common comparables, due to differences in dwelling size, lot size and/or lack of a garage. The Board also gave less weight to board of review comparable #6 which differs from the subject in that it lacks a garage.

The Board finds the best evidence of market value to be the appellant's comparables #2 and #4, along with comparables #2, #4 and #5 submitted by the board of review. These five comparables are similar to the subject in location, dwelling size, design, age and features. They sold from July 2016 to November 2017 for prices ranging from \$65,000 to \$95,000 or from \$46.70 to \$67.66 per square foot of living area, including land. The subject's assessment reflects a market value of \$78,851 or \$55.30 per square foot of living area, land included, which falls within the

range established by the best comparable sales in this record. After considering any necessary adjustments to the comparables for differences when compared to the subject, the Board finds the estimated market value as reflected by the assessment is supported and no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
