

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Alch
DOCKET NO.: 17-02162.001-R-1
PARCEL NO.: 16-20-306-007

The parties of record before the Property Tax Appeal Board are Michael Alch, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$48,185
IMPR.: \$168,493
TOTAL: \$216,678

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick construction with 3,106 square feet of living area. The dwelling was constructed in 1994. Features of the home include a partial unfinished basement, central air conditioning, two fireplaces and a 460 square foot garage. The property has a 18,295 square foot site and is located in Bannockburn, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales with varying degrees of similarity to the subject. The comparables sold from February to December 2016 for prices ranging from \$740,000 to \$925,000 or from \$196.36 to \$219.04 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$216,678. The subject's assessment reflects a market value of \$653,629 or \$210.44 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales with varying degrees of similarity to the subject. One comparable was also utilized by the appellant. The comparables sold from April 2015 to November 2016 for prices ranging from \$635,000 to \$740,000 or from \$216.12 to \$252.69 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sale #1 and board of review comparable sales #1 and #2 which included a common comparable utilized by both parties. Less weight was given the remaining comparables based on their dissimilar size, exterior construction, date of sale being too remote from the assessment date in question and/or dissimilar land size (or otherwise land size not being disclosed). The most similar comparable and the parties' common comparable sold for \$740,000 and \$635,000 or for \$216.12 and \$227.44 respectively per square foot of living area, including land. The subject's assessment reflects a market value of \$653,629 or \$210.44 per square foot of living area, including land, which is supported by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
