

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephanie Gelb  
DOCKET NO.: 17-02172.001-R-1  
PARCEL NO.: 16-26-104-014

The parties of record before the Property Tax Appeal Board are Stephanie Gelb, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$97,675  
**IMPR.:** \$99,201  
**TOTAL:** \$196,876

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick construction with 2,572 square feet of living area. The dwelling was constructed in 1964. Features of the home include central air conditioning, a fireplace and a 484 square foot garage. The property is situated on a 14,231 square foot site in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales with varying degrees of similarity to the subject. The comparables sold from March 2015 to November 2016 for prices ranging from \$270,000 to \$600,000 or from \$115.14 to \$218.07 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$196,876. The subject's assessment reflects a market value of

\$593,894 or \$230.91 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales with varying degrees of similarity to the subject. The comparables sold from February 2015 to November 2016 for prices ranging from \$571,000 to \$674,000 or from \$241.54 to \$260.62 per square foot of living area, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sale #1 and board of review comparable sales and #1 and #3. The Board recognizes appellant's comparable sale #1 and board of review comparable sale #1 are significantly older than the subject but have recent sale dates. Board of review comparable sale #3 has an effective age of 1964 with a recent sale date and was given most weight in the Board's analysis. Less weight was given the remaining comparables based on their date of sale being too remote from the assessment date in question, their dissimilar age and/or lot size when compared to the subject. The most recent sales of similar comparables sold for prices ranging from \$270,000 to \$674,000 or from \$115.14 to \$260.62 per square foot of living area, including land. The subject's assessment reflects a market value of \$593,894 or \$230.91 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
