

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Irwin Kushner
DOCKET NO.: 17-02182.001-R-1
PARCEL NO.: 16-23-413-012

The parties of record before the Property Tax Appeal Board are Irwin Kushner, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$143,179
IMPR.: \$101,901
TOTAL: \$245,080

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick construction with 3,125 square feet of living area. The dwelling was constructed in 1951. Features of the home include a partial unfinished basement, a fireplace and a 638 square foot garage. The property is situated on a 20,139 square foot site in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales with varying degrees of similarity to the subject. The comparables sold from April 2016 to April 2017 for prices ranging from \$472,500 to \$700,000 or from \$171.82 to \$244.40 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$245,080. The subject's assessment reflects a market value of

\$739,306 or \$236.58 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales with varying degrees of similarity to the subject. The comparables sold from December 2015 to May 2018 for prices ranging from \$712,500 to \$1,040,000 or from \$245.24 to \$309.16 per square foot of living area, including land.¹

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparable sales #1, #4 and #5 and board of review comparable sales #2 and the 2016 sale #3. Less weight was given the remaining comparables based on their dissimilar age and/or the date of sale being too remote from the assessment date in question. The most similar comparables sold for prices ranging from \$472,500 to \$825,000 or from \$171.82 to \$245.24 per square foot of living area, including land. The subject's assessment reflects a market value of \$739,306 or \$236.58 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

¹ Board of review comparable #3 sold two times within the relevant time period: 3/31/2016 for \$825,000 or for \$245.24 per square foot of living area, including land; and on 5/18/2018 for \$1,040,000 or for \$309.16 per square foot of living area, including land.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
