

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Julia Pan
DOCKET NO.: 17-02231.001-R-1
PARCEL NO.: 16-29-302-032

The parties of record before the Property Tax Appeal Board are Julia Pan, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$54,329
IMPR.: \$95,798
TOTAL: \$150,127

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2017 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a one-story single-family dwelling of wood-siding exterior construction. The dwelling was built in 1978 and contains 2,095 square feet of living area. Features of the home include a full unfinished basement, central air-conditioning, a fireplace, and a 550-square foot garage. The dwelling is situated on a 43,957 square foot site located in Deerfield, West Deerfield Township, Lake County.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted information on three comparable sales located from .03 to .50 of a mile from the subject and located in the same neighborhood as the subject. The comparables consist of one-story single-family dwellings of wood-siding exterior construction. The dwellings were built from 1951 to 1977 and range in size from 1,997 to 2,533 square feet of living area. The living area of the largest dwelling includes a 506-square foot finished attic. The comparables each have

full basements, two with finished area, central air conditioning, and a fireplace. Two of the dwellings have a garage containing 529 or 625 square feet of building area. The comparables sold from November 2016 to May 2017 for prices ranging from \$410,000 to \$535,000 or from \$192.85 to \$225.34 per square foot of living area, including land. Based on this evidence, the appellant requested an assessment reflecting a market value of approximately \$450,381 or \$214.98 per square foot of living area, land included.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$156,411. The subject's assessment reflects a market value of approximately \$471,828 or \$225.22 per square foot of living area, land included, when using the 2017 three-year average median level of assessment for Lake County of 33.15% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales. The comparables are located from .051 to .6 of a mile from the subject. None of the comparables share the same neighborhood code as the subject. The comparables consist of one, two-story and three, one-story single-family dwellings of brick or wood-siding exterior construction. The homes were built from 1968 to 1984 and range in size from 1,874 to 2,220 square feet of living area. The comparables have full or partial basements, two with finished area. The comparables each have central air-conditioning, one or two fireplaces, and a garage ranging in size from 462 to 524 square feet of building area. The comparables sold from February 2015 to June 2016 for prices ranging from \$460,000 to \$510,000 or from \$207.21 to \$249.20 per square foot of living area, including land. Based on the foregoing evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gave less weight to board of review comparables #1, #3 and #4 as all sold in 2015 which is less proximate in time to the January 2017 assessment date at issue and may not be reflective of the market value as of that time.

The Board finds that appellant's three comparables and board of review comparable #2, while having varying degrees of similarity to the subject, were the best comparables submitted in the record as they are located in close proximity to the subject and three have the same neighborhood code as the subject. These comparables sold from June 2016 to May 2017 for prices ranging from \$410,000 to \$535,000 or from \$192.85 to \$207.21 per square foot of living area, land included. The subject's assessment reflects an estimated market value of approximately \$471,828 or \$225.22, per square foot of living area, land included, which is within the range of the best comparable sales in the record on an overall basis but above the range on a per square foot basis.

After considering adjustments to the comparables for differences when compared to the subject such age, lack of a garage, and/or basement finish, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
